To Whom it May Concern,

We live at [REDACTED] Twelve Oaks Rd. and are neighbors of Soctt and Jackey Kolander. They have shared with us their remodeling plans for expanding their garage and we wanted to express our support for this project (Architecture and Site Application S-21-024). After speaking with them and reviewing the plans they submitted to the town, we have no objections and hope they will be allowed to proceed with their remodeling project.

Sincerely,

Sheldon & Donna Gilbert
