Re: 233 Forrester Road
Architecture & Site App.: S-26-010

Attn: Jocelyn Shoopman

The owner was able to meet with five of the neighbors surrounding the property. They introduced ourselves and asked if they had any questions or concerns regarding the upcoming construction of the new home. All five were positive, and none expressed any objections. It was a great opportunity to establish a relationship with the neighbors and let them know that we are available if any questions come up as the project moves forward.

Neighbors They Met:

██████████ — Across the Street
Spoke with James Petros

██████████ — Up the Street, Above the Project
Spoke with Jonathan and Janine Miller

██████████ — Up the Street, Above the Project
Spoke with Gia Nguyen

██████████ — Next Door
Spoke with JB Satia

██████████ — Large Estate Next Door
Met Jim and spoke with his daughter, Tracy

Overall, it was a very positive experience. Everyone was friendly and receptive, and no concerns or objections were raised regarding the upcoming construction.

Sincerely,
