## C. SPECIFICATIONS:

The Department of Parks and Public Works will review all specifications for vehicles and motorized equipment to be purchased by the Town of Los Gatos. Specifications will be prepared based on user needs, operating costs, safety factors, life expectancy, new technology, availability, and cost. When applicable, performance standards will be included in the specification writing process.

## D. VEHICLE AND EQUIPMENT DISPOSAL:

Disposal may take place via trade-in when vehicles or equipment are purchased. If the trade-in offer is deemed insufficient, the Town will advertise and surplus items at a minimum pre-determined price. When possible, staff will try to offer specialized vehicles, such as Police patrol cars, to agencies that need such equipment but may not be able to purchase new equipment. Prior to the disposal of vehicle or equipment, the Parks and Public Works Department will determine if reassignment to another department is warranted.

#### E. RESPONSIBILITY:

All applicable departments within the Town of Los Gatos who are assigned vehicles or motorized equipment may be involved in the procurement/disposal process.

- 1. Finance personnel and the Town Manager shall review the equipment replacement list annually to ensure that replacement costs for vehicles and equipment are current and in-line with long-term replacement needs.
- 2. Each Department is responsible for requesting vehicle or equipment replacement during the annual budget process.
- 3. The Parks and Public Works Department will prepare vehicle specifications for all Town Departments except the Police Department.
- 4. The Parks and Public Works Department will review all Town specifications for vehicles and motorized equipment.
- 5. Disposal or reassignment of surplus vehicles and equipment will be coordinated by the Parks and Public Works Department.
