**I support the following for the Los Gatos Monte Sereno Police Department.**

**As you consider the fiscal 25-26 year budget, I request you ensure that the budget preserves these items:**

- 1. Prioritize maintaining budgeted LGMSPD staffing levels and fiscal support for forecasted vacancies in preparation of local or regional events and continuity in level of policing services. LGMSPD staffing to be prioritized at or above budgeted levels in preparation for foreseen vacancies by timely recruitment and retention of public safety professionals who embody the Town's values, character, and culture.**
- 2. Preserve a budget that sustains LGMSPD's community-police partnerships. Continue the LGMSPD's progress made in community policing - including programs and initiatives like supporting robust volunteer programs (CERT, DART, Explorers, and Volunteers in Policing), the Community Police Academy, customized Neighborhood Watch meetings, and the Therapy Canine program - which are essential to maintaining public trust, preventing crime, and reinforcing safety, connection, and transparency.**
- 3. Invest in LGMSPD's ability to advance technologies and maintain collateral teams and competencies. Support the integration of progressive technologies and trained collateral teams to enhance investigative capacity and supplement staffing - ensuring LGMSPD remains nimble, proactive, and equipped to serve a community that values innovation and safety.**
- 4. Align fiscal commitment to act on the findings of the organizational assessment conducted by Meliora Public Safety Consulting to modernize the LGMSPD's operations. This includes optimizing staffing models, consolidation efforts, and improving service delivery systems. Implementing these recommendations will ensure the department continues to meet the evolving needs of the community and public safety.**
