(Ord. No. 2181, § III, 10-19-09)

Sec. 29.10.3020. - Definitions.

The Below Market Price Program requirements shall apply to all residential development projects, mixed-use projects, multiple-family dwelling projects, residential condominium

projects, condominium conversions, and all residential planned development projects that include five (5) or more residential units or parcels which involve:

1. New construction of ownership or rental housing units, including mixed use developments and addition of units to existing projects, or
2. Subdivision of property for single family or duplex housing development, or
3. Conversion of rental apartments to condominiums or other common interest ownership, or
4. Conversion of non-residential use to residential use.

The residential projects, mixed-use projects, multiple-family dwelling projects, residential condominium projects, condominium conversions, and all residential planned development projects consisting of five (5) or more units are required to provide the following number of BMP units:

- (1) Projects containing five (5) or more but less than twenty (20) market rate units must provide a number of BMP units equal to ten (10) percent of the number of market rate units.
- (2) Projects with from twenty (20) to one hundred (100) market rate units must provide BMP units as determined by the following formula:
$$\text{Number of BMP units} = .225 (\text{total \# of market rate units}) - 2.5$$
- (3) All projects in excess of one hundred (100) market rate units must provide a number of BMP units equal to twenty (20) percent of the market rate units.
- (4) Whenever the calculations of BMP units result in a fraction of one-half or more, the number of units to be reserved is increased to the next whole number.
- (5) The Town, at its sole discretion in limited circumstances, may consider an in-lieu payment alternative to the required BMP unit ~~in the case of Planned Unit development with an underlying zone of HR~~. The required in-lieu fee is as established by a separate resolution and is to be paid to the Town prior to issuance of the certificate of occupancy for the market rate residential unit that triggered the BMP requirement. The provision for a BMP unit applies if the project is built under the rules of an overlay zone unless the rules of the overlay zone provide otherwise.

BMP units shall be constructed and Certificate of Occupancies secured concurrently with or prior to the construction of the market-rate units. The BMP requirement will be calculated on the basis of the whole development. The Town Council may grant an exception to the phasing requirements during the project approval process.

(Ord. No. 2181, § III, 10-19-09)

Sec. 29.10.3030. - Price.

The price of BMP units is controlled for the first buyer and for future buyers by the BMP Guidelines as adopted and amended from time to time by Council resolution and as follows:

- (1) The initial price is limited to direct construction cost and a proportionate share of the costs of preparing working drawings and specifications and providing on-site and off-site improvements, determined according to rules set by the Council.
- (2) The initial price does not include the cost of land, profit, or marketing costs.
- (3) Each BMP unit will be subjected to recorded title restrictions concerning manner of fixture sales, occupancy and leasing.
- (4) Each buyer of a BMP unit must agree to sell the unit to a moderate income buyer designated by the Town. The Town will designate moderate income persons according to rules adopted by the Council in effect at the time the seller purchased the unit.
- (5) The resale price cannot exceed the original selling price plus the value at the time of sale of improvements added by the owner, and plus an amount equal to the increase in cost of living or housing during the owner's tenure. The index or method to be used in calculating the increase is established by the Council.
- (6) If a BMP unit to be resold has not been properly maintained or for any other reason is in poor condition and in need of cleaning or repair, the Town may elect to do the work or have it done and recover the cost from the sale price limited as provided in subsection (5).
- (7) The regulations will specify the period for controlled resales. The time period will be in perpetuity or for as long as is practical.
