Casement and Awning WINDOWS

Casement windows catch a breeze and direct fresh air indoors, allowing the most ventilation of any window style. Awning windows let in fresh air, even on rainy days!

EASY

Casement windows open wide to allow easy cleaning of outside glass from the inside⁴ and can be hinged from the right or left.

EFFICIENT

Casement and awning windows are our most energy-efficient ventilating window styles.

SECURE

One lever positioned in an easy-to-reach location securely locks the casement window at multiple points for a weathertight seal.

CONVENIENT

Awning windows are recommended for use over cabinets, counters, or areas where opening and closing require a reach.
