ASSESSMENT ROLL RESEARCH

File Address 321 Johnson

Tract/Block/Lot

Assessments are filed by last name of property owner, but not necessarily in alphabetical order. Some years there is an index inside the volume or in a separate book. The goal of a search is to find the years when the assessed value of "improvements" (buildings) changed from 0 to over \$500, or when that figure rose by \$500 or more. Write down every year and name you try, including the years when you find nothing. Ditto marks are fine.
