RECOMMENDATION:

Discuss the Santa Clara County Age-Friendly Community Survey Findings Update

REMARKS:

The County of Santa Clara Department of Aging and Adult Services (County), in partnership with the Town, other local jurisdictions, and service-providers, released the AARP Age-Friendly Community Survey on September 25, 2024 – and collected responses through March 31, 2025. Using the AARP's standardized Age-Friendly Community Survey satisfies the Town's requirement to conduct the AARP survey as part of the Age-Friendly network. The survey received 1,987 responses overall. Countywide results are included in Attachment 1. AARP survey results for Los Gatos can be found in Attachment 2 with 77 responses.

Staff is also including the April 2022 CASOA senior survey conducted in April 2022 for review.
