P R O C E E D I N G S :

CHAIR HUDES: Item 5, Town Code Amendment Application A-19-005, again Town Wide. Consider amendments to Chapter 29 regarding valet parking regulations. Ms. Shoopman.

JOCELYN SHOOPMAN: Lastly is a consideration of an amendment to Chapter 29 of the Zoning Code regarding valet parking regulations as recommended by the Council Policy Committee and forwarded to you for your recommendation to the Council.

Recommendation from the Policy Committee proposes to remove the requirement that private parking lots outside of the Parking Assessment District may not charge for valet parking, and to modify the deciding body for valet parking permits from the DRC to the Director of Community Development.

This completes Staff's presentation.

CHAIR HUDES: Okay, thank you. Questions? Commissioner Janoff.

COMMISSIONER JANOFF: Just to clarify, the first bullet is a double negative, right? The proposal is to allow those parking situations to charge for valet parking?

1 JOCELYN SHOOPMAN: That's correct.

2 CHAIR HUDES: Okay, other questions? We have no
3 cards from the public, so I will now close the public
4 portion of the hearing and we move to discussion or a
5 motion. Commissioner Badame.

6 COMMISSIONER BADAME: I move to forward a
7 recommendation of approval for Town Code Amendment
8 Application A-19-005, amendments to Chapter 29, the zoning
9 regulations of the Town Code regarding valet parking
10 regulations. I can make the required findings for CEQA and
11 the required findings for the General Plan.

13 CHAIR HUDES: Thank you. Second? Commissioner
14 Tavana.

15 COMMISSIONER TAVANA: Second.

16 CHAIR HUDES: Okay. I'll call the question. All
17 in favor? Opposed? Passes 6-0 unanimously and there are no
18 appeal rights on this either, I believe.
