COUNCIL POLICY COMMITTEE REPORT**

MEETING DATE: 08/24/2021

ITEM NO: 2

DATE: August 20, 2021
TO: Policy Committee
FROM: Laurel Prevetti, Town Manager
SUBJECT: Review and Provide Direction on the Recommended Modifications to the Planning Commission, Historic Preservation Committee, Conceptual Development Advisory Committee, and General Plan Committee Enabling Resolutions and Applications.

RECOMMENDATION:

Review and provide direction on the recommended modifications to the Planning Commission, Historic Preservation Committee, Conceptual Development Advisory Committee, and General Plan Committee enabling resolutions and applications.

BACKGROUND:

The Town of Los Gatos currently has 13 Boards, Commissions, and Committees which act in various advisory and regulatory roles to the Town Council. The Planning Commission is one of seven of the Town's Commissions that serve a specific function. The Historic Preservation Committee, Conceptual Development Advisory Committee, and General Plan Committee are three of four of the Town's Committees that serve a specific function.

On February 23, 2021, the Town Council directed staff to work with each of the Town Boards, Commissions, and Committees to review and discuss their applications for new members, keeping in mind that requiring specific professional or degree qualifications could hinder recruitment. The Policy Committee requested that the Commissions and Committees review the applications and enabling resolutions and forward any suggested changes or general input to the Town Council.

DISCUSSION:

Planning Commission

On April 14, 2021, the Planning Commission (PC) discussed and provided input regarding the Planning Commission application. Historic Preservation Committee

On April 28, 2021, the Historic Preservation Committee (HPC) discussed and provided input regarding the enabling resolution and application. The HPC suggested modifications to the resolution to include more detailed language regarding the powers and duties of the Committee and removing the requirement that one member reside in a historic district (Attachment 2). The HPC also suggested modifications to the structure and content of the application questions (Attachment 3).

Conceptual Development Advisory Committee

On June 9, 2021, the Conceptual Development Advisory Committee (CDAC) discussed and provided input regarding the enabling resolution. The CDAC suggested grammatical modifications to the resolution, details of the presentation process for applicants, the role of the CDAC, and the identification of the types of Town documents considered when reviewing a project (Attachment 4).

General Plan Committee

On May 26, 2021, the General Plan Committee (GPC) discussed and provided input regarding the enabling resolution and application. The GPC suggested a clarifying modification to the resolution regarding the appointment of a GPC member (Attachment 5). The GPC also suggested combining questions, providing more detail in questions, and including a link to the Town's website as a reference for applicable questions (Attachment 6). The GPC also considered expanding the role of the GPC to consider and make recommendations on policy documents and Town Code amendments.

CONCLUSION:

Staff looks forward to the Policy Committee's discussion and direction regarding the proposed modifications to the PC, HPC, CDAC, and GPC applications and enabling resolutions.

OVERVIEW:

	<u>Existing</u>	<u>Proposed</u>
General Plan Designation	Neighborhood Commercial	Neighborhood Commercial
Zoning Designation	C-1	C-1
Existing Use	Vacant	Vacant
Property Size	15,000 Square Feet	

PROJECT DESCRIPTION:

The applicant proposes to construct a 10,000-square foot two-story office building with underground parking that will be 32 feet tall. The maximum height allowed by Town Code is 35 feet and the maximum lot coverage would allow a 15,000-square foot building. NEIGHBORHOOD REACTION:

The surrounding neighborhood is divided on the issue of development. Some of the neighboring property owners are in support of the project and think it will provide needed office space, while others are opposed to the project because they feel it will create a significant traffic impact.

PROCESS:

- The proposed project has been reviewed by staff and complies with all of the Town's technical requirements.
- A Traffic Impact Analysis has been prepared by the Town's Traffic Consultant.
- The Traffic Impact analysis shows that there would not be a significant traffic impact based on the Town's existing traffic policies.
- There are a number of residents at the Planning Commission meeting opposing the proposed project based on potential traffic impacts.

What is your initial reaction to the above referenced project?
