Subject: Re: Shaping the Future of Los Gatos

Hi Matthew

Very interesting stuff and I will hopefully be able to attend virtually. I am was thinking of a minor issue and I was not sure who to contact so maybe I can direct me or maybe you are the man I'm looking for. I feel that our town flag does not truly represent our town and it's spirit. I feel it is too simple and too unclear on what Los Gatos is as a town and as a people. I would like to maybe change it and I'd be willing to throw out some redesign ideas.
