Subject: amendment to meeting minutes

Hello town council, I re-watched parts of the 2/16/21 meeting and would like to request that you better capture the comments of Hogan, Sheehan and Anonymous. It's important to more accurately capture their rants for the public record.

Specifically, Hogan said the lockdown is unconstitutional and like a prison term. you should take down the signs, and there's no evidence of any emergency. Sheehan said the mandate are in violation of the 1964 Civil Rights Act, the mask mandate ruined the town, and you're forcing businesses to break the law. Anonymous said the virus is a "plandemic" and "not real" and you can't require people to wear a masks.

Thank you,
