4. It is the Town's intent to provide spaces that are affordable and accessible for cultural, civic, and celebratory activities, without compromising security and official Town business needs.

## **POLICY**

### **Policy Overview**

1. The Town Council will establish the Town Facilities Use Policy. The Town Manager and his or her designee will issue permits and use agreements for events, and act as the final authority for the application of the Policy.
2. The Town Manager's Office is responsible for the day-to-day operation of scheduling and administering facilities' reservations.
3. The granting of permission to use any civic facility shall not in any way constitute an endorsement of the views of the persons and/or group reserving the facility.
4. Users of civic facilities for events will be required to obtain a special event permit and comply with all requirements set forth in this Town Facilities Use Policy.
5. All civic facility use reservations shall be made subject to the condition that the Town maintains the right to cancel or change any reservation if civic facilities are needed for official Town business. In no event shall the Town have any liability whatsoever for any cancellation made under the Town's authority to do so.
6. Use of civic facilities must not interfere with the conduct of official Town business or be unduly disruptive to others present in Town Hall or to immediately adjacent properties.
7. Private parties are not allowed (such as a wedding reception).
8. Town approved non-profit fundraising activities are allowed in/on Town facilities with an appropriate permit, or license issued by the Town, or provided in an agreement or Conditional Use Permit with the Town.
9. The roping off of a portion of a civic facility to create an exclusive section is permissible with an approved special event permit as long as the majority of the facility is open and accessible to the public.

10. Separate Council approved use agreements may supersede this Policy. Where conflicts in terms or conditions arise, the use agreement will prevail.
