

Los Gatos Youth Commission Student Travel Survey - Los Gatos High_May 8, 2025_20.51		
Q12	Q13	Q14
If applicable, what specific street(s)/bike path(s)/intersection(s) do you have safety concerns with? {*ImportId*:"QID14 TEXT"}	Where do you feel that pedestrian safety efforts have been most effective in Los Gatos? Please explain. {*ImportId*:"QID17 TEXT"}	Do you have any comments or suggestions about the survey itself? {*ImportId*:"QID15 TEXT"}
Los Gatos Boulevard	Downtown Los Gatos	No
	Downtown and on routes on the vasona trail	
No	None	No
None	Right next to the school	No
winchester blvd		
N/A	In downtown since even with a lot of people it seems decently organized	N / A
N/A	N/A	N/A
None		
	By fisher	
None	By Fisher middle school and the elementary schools	I live in the mountains and the surgery questions were not applicable to me
None	On Main Street	No
The one in front of Los Gatos High	In front of the elementary school	
None	I think having security at the parking lot at the hs is good to help prevent traffic jams and keep kids safe crossing	No
none	downtown	no
gap ways	on winchester	no
na		
idk	the intersections near blossom hill	No
Shannon Rd	Blossom Hill Rd	No
None		No
none	none	no
none	Los Gatos Boulevard seems overall safe and has lots of bike lanes and arrows on what to do	no
None	None	None
None	Road in front of the school had lots of crosswalk	None
Downtown	Downtown	No
	The intersection on highway 9 near entrance of massol avenue used to be and still is very dangerous but the crossing light that was added has clearly increased safety	
	near middle and elementary schools as there are crossing guards present most of the time	
Right in the front of the school, many people get dropped off while in traffic, many times there are bikers speeding by that may hit the open doors or people exiting viechles.		
I live off of highway 17 so I just have safety concerns with crossing the freeway	I do not know because I live in the mountains	Have options that are inclusive to people that live in the mountains or a text box answer where i can type in my response if my answer is not listed on the multiple choice
None	There are a couple of crossing guards at intersections on Los Gatos boulevard that are pretty effective.	None
highway 17	in los gos gatos	no
the cross walk on highway 9		
n/a	around school/library area	no
	In front of school-between 7 11	
None	The pedestrian signs on main street	None
Lq blvd and Simon's way	Bike lanes	No
		No
Lg blvd	Roberts	I drive alone/myself not with anyone
	around elementary schools	
		High school students are lazy and have a car so it's hard to tell them to bike
	Blossom Hill Road, because I've has some bad experiences before the changes there.	No!

Los Gatos Youth Commission Student Travel Survey - Los Gatos High_May 8, 2025_20.51

Q12	Q13	Q14
If applicable, what specific street(s)/bike path(s)/intersection(s) do you have safety concerns with?	Where do you feel that pedestrian safety efforts have been most effective in Los Gatos? Please explain.	Do you have any comments or suggestions about the survey itself?
	In front of school	Put walking bridges over Los Gatos boulevard and other intersections in front of the school so traffic isn't so fucked after and before school. It's uniquely terrible
None	By local schools	No
Alma Bridge road	i don't know because i don't live in Los gatos	i also don't bike or walk because i have chronic joint pain, that should be a consideration or at least give people an open space to write
nothing	Clear bike lanes. People don't bike to school not because aura. not because safety	It's safe to bike to school. Just incourage car pool. Send out an email
None, wish they removed those big green things next to the bike lanes on blossom hill and other roads and gave cars more space	Crossing guards	No
	Everywhere	
N/a	Yes, but there's a lot of reckless drivers	No
none	ldk	no
The Los Gatos-Saratoga road by the highway	ldk	No
Los Gatos Blvd		No
na	The elementary school crossing areas with guards.	
None	Yes	No
na	near the schools	no
N/A	Crossing Guards	N/A
	Near elementary school	
na	na	na
Los Gatos Blvd	Crossing guards by elementary schools	No
High Way 17	Down Town	Kind of hard to answer for the students livening in the mountains
None	I don't knkw	No
None, people walk on the street near my house where there aren't sidewalks	Yes, there are lots of bike lanes	No
none	by the posh because there are many stop signs	no
Shannon road near englewood	crossing guards	no
None	Senior lot feels safe	No
none	fisher middle school	no
	Near fisher middle school they have bike lanes	
They are none	Downtown	
Old Santa Cruz highway	In front of school	No
N/A	Coleman	No
N/A	Yes	No
none	none	none
N/A	Not sure	No
none	none	no
	Street between pcig and blossom hill. Keeps cars organized and slow	Ask what the worst one it
Highway 17	I don't live in town so I'm not completely sure.	
	Crosswalks	
No	Streets	No
none	School	no
Im in mountains	Im in mountains	Do options for far away kids
I live on a mountain I would be eaten by a Mountain Lion before I get half way down	Exists on the freeway	No
None	Bike paths	No
none	around school areas near the middle school and elementary	no
None just the drivers	A lot but the drivers suck	Fix lg drivers they suck
none	none	no
None	At the elementary and middle schools because the crosswalks and crossing guards are good at their jobs	No
		no
Isk	ldk	No
Street	Yes	No
None	Blossom hill road	No
None	I don't know	No
One of that paths is narrow.	I don't know.	Nah
N/A- can't be solved because it's highway 17	there are sidewalks and people don't get run over in the center of town so there	I think I should be able to choose more than one reason for me not walking, maybe be more clear
N/A	Where there are crossing guards.	No
None	The big intersection by Fisher and the old wine depot.	I don't live in LG :)
	Near the school walking to 7-11	No
n/a	Crosswalks? There's a lot of them.	No

Los Gatos Youth Commission Student Travel Survey - Los Gatos High_May 8, 2025_20.51

Q12	Q13	Q14
If applicable, what specific street(s)/bike path(s)/intersection(s) do you have safety concerns with?	Where do you feel that pedestrian safety efforts have been most effective in Los Gatos? Please explain.	Do you have any comments or suggestions about the survey itself?
	Paths that don't go on the road, like the creek trail	A "none of the above" or "non-applicable" option to answer questions with because for some of the questions I was forced to answer something that wasn't true
	By the blossom hill school. Crosswalks and guards everywhere	No
N/A	Los Gatos Boulevard has been the safest since there's nice sidewalks and walking paths.	Nope
The hilly road down from Kennedy area where cars whip around on the small road	Idk	No
	Adding sidewalks for pedestrians helps make the area feel safer	
N/A	By the elementary schools, there are a lot of crossing guards and wide sidewalks.	No.
Near the school	Bike lanes	
n/a	Near Blossom Hill Elementary	n/a
None in particular	Front of school	Please don't ask where my house is
None	High school court, main street	
none	not sure	no
None	School	More on campus parking
I worry about electric bikes that go 25 miles per hour or faster being in the bike lane as it can confuse drivers and can cause more collisions	Good	
Highway 17	Idk	No
None	Everywhere	I drive to school alone so a lot of questions to apply to me
	downtown	
None	Downtown	No
	At the school	
I don't	Idk	No
N/A	Around the front of the school	No
	In downtown where the speed limit is 15, and around Daves Ave. elementary where every cross has a crosswalk.	
Highway 17		
None	Main street	No
None	The sidewalk or bikelane	No
None	Near Vasona Park, because there are bike lanes and the sidewalks are nicely paved and there are bike routes	No
none		
Shannon and Englewood	Lg blvd and Shannon	No
Overlook is not so walkable	Downtown, crosswalks and sidewalks everywhere.	No
I am concerned with the number of bikers on Shannon Rd. without a proper bike lane since it's so narrow	Los Gatos Boulevard since it has clear green bike lanes that separate the road from the side walk visibly	No
Los Gatos Blvd		
Los Gatos blvd	Shannon rd next to blossom hill school, crossing guards and many safety features	No
The second stretch of the crosswalk at the intersection on Los Gatos boulevard at the top of the hill coming from Saratoga	Making great bike lanes	Nope!
Shannon Englewood		
None	None	No
Los Gatos blvd	Downtown, lots of crosswalks	
University Avenue		
None	Bad traffic	None
Highway 17	N/A	No
N/A	I think the places near school, because there, students have priority with crossing guards to keep them safe.	N/A
Lg boulevard	In downtown it is safe	no

Los Gatos Youth Commission Student Travel Survey - Los Gatos High_May 8, 2025_20.51

Q12	Q13	Q14
If applicable, what specific street(s)/bike path(s)/intersection(s) do you have safety concerns with?	Where do you feel that pedestrian safety efforts have been most effective in Los Gatos? Please explain.	Do you have any comments or suggestions about the survey itself?
None	Downtown Los Gatos because they make it clear what the bike lane is	No
n/a	crossing guards on caldwell are good	n/a
The protection of the bikes shannon	In the sidewalks	N/a
	yes	
The street in front of the school.	I haven't seen any.	No.
	17 idk	no
N/a	Right near the middle school because it is good	No
None	I don't know	No
Shannon Rd, Los Gatos Blvd	The crossing guard at Shannon Rd and Cherry Blossom Ln is very safe and aware	No
None	I feel that it has been effective, as there have been limited injuries in the time I have been attending this school	No
cars speeding	cross gaurds	nope
None	Main street	No
N/A	N/A	I live up the mountain - i get to school, clock in and clock out. Not much else to say.
It is too close to car		
.	.	No
N/A	N/A	No
None	Downtown	No
Na	Idk	Add an option of I'm just lazy and don't want to walk to school because I live close but dont
Highway 17	No, if I walked I would get run over or collapse from exhaustion	Don't make mountain kids fill this out
The road Harding Ave that intersects on Los Gatos blvd. The traffic is constant and it is impossible to cross the street into the bike lane.	Crosswalks	no
Los Gatos Boluvar	blossom hill road	no thank yiu
None	Idk	No
none	none	no
		No
University Ave/Highway 9, Los Gatos Blvd/Loma Alta Ave/Johnson Ave	Where there are little to no cars, as I feel that despite efforts, walkability and bikability is still low. However, if one street were to be named, it would be Santa Cruz Ave, from Main St. to Highway 9.	No
N/A	The E main st	N/A
NA	By the schools	No
Idk	Idk	No
Highway 17	Crosswalks	
Highway 17	I don't know, I live on highway 17	How do I walk to school from highway 17
I would have to cross highway 17	In the area around Lghs	None
-	Not sure	No
nope	near elementary schools with crossing guards	nope
Kennedy Road	Downtown there's a lot of accessible routes	
	The places where there are specific bike lanes, because when driving to and from school bikers being in the same lane as me seems dangerous and also slows me down on my drive.	
	the road that connects behind the lake	
The highway 17	Outside of the middle and elementary schools is the safest	Nope
The road by visona	Idk	No but pls give us more days off from school
	Near downtown because there are a lot of cross walks.	Nope.
Highway 17	I don't know	No
Kennedy Road		
	Winchester bike buffer zones	
n/a	n/a	n/a
Cars don't turn on turn signals cutting me off :(Alpine Los Gatos blvd	Really great crossing guard if guard of my life ☺ Los Gatos boulevard. Good bike lanes crossing guards at my intersection	Is there a way to make driver better no
N/A	Near schools. The crosswalks are extremely visible and apparent.	N/A
New York Avenue and Pleasant Street	near elementary school with crossing guard	
none specifically	i don't know	no

Los Gatos Youth Commission Student Travel Survey - Los Gatos High_May 8, 2025_20.51

Q12	Q13	Q14
If applicable, what specific street(s)/bike path(s)/intersection(s) do you have safety concerns with?	Where do you feel that pedestrian safety efforts have been most effective in Los Gatos? Please explain.	Do you have any comments or suggestions about the survey itself?
No	Idk	Nah
none	Near LGHS	none
No	In downtown, because people know how to stop for stop signs, and let the pedestrian finish walking	No
It's too cold in the winter	I think safety is best at downtown with the large amount of crosswalks and signs	
None, but maybe under old town right before the footbridge	In public streets because they have a lot of people on them	no
none	downtown	n/a
N/A	Los Gatos Blvd. There are plenty of cross guards, side walks are mostly nice, overalls really safe I think. I walk to and from school down that road every day.	N/A
No concerns	Near the school	Nope
None	LG boulevard because of how busy of a street it is and how well the traffic has been managed	No
Los Gatos blvd	It's all not bad	Nein
Coleman	Idk	No
Los Gatos blvd and nino ave.	Caldwell ave because the crossing guard there is so nice and absolutely amazing.	
Los Gatos blvd. And the street before New York	Green sbikelqnes were good	
The LG Boulevard intersections near the Los Gatos Saratoga road all the way to school	The crosswalks near school and the Club	Increase the safety for bike lanes because sometimes people walk on them and there are many non biking people using them.
The downhill part of Bella Vista Ave	Sidewalk renovations	No
los gatos boulevard	In Uptown Los Gatos	no
	Near Daves Ave. Elementary school. There are adults with stop signs that cross the crosswalks with kids.	
None	Not sure	No
n/a	n/a	n/a
Blossom hill rd	Crosswalks	Make bike lanes better
None	Church street—the sidewalks are safe and the staff waiting at the front of the school organize traffic well!	All good.
N/A	Crossing guards	No
Hb o	Gf nk	Gf fb n
None	Not sure but I like the crosswalks near Los Gatos High School and the Club at Los Gatos	No
Lark Ave. & Los Gatos Blvd. (usually 3-5 cars running each red light turning left onto Lark during rush hour)	Crossing guards near Van Meter—in particular, the kind crossing guard lady who’s dedicated her time every morning since my freshman year at LG Blvd. and Caldwell Ave./Kennedy Rd. greeting EVERY student, from Van Meter or not, whether walking or biking, with “good morning”—something I deeply respect and can look forward to every morning	Stricter regulation of red light violations on Lark Ave. and Los Gatos Blvd.—multiple cars running reds every cycle not only impedes traffic, but also poses a danger to bikers
Santa Cruz ave		
None	Near large freeways, as there are a lot of safety mechanics near intersections	No
an intersection on los gatos saratoga ave sometimes takes a while for me to cross the intersection is off university ave		
I can't remember the name rn	You mean cross walks? Sure	No
the biking situation over the bridge	near the high school in general	n/a
Na	I'm not exactly sure	No
the dirt stairs up to the overpass are kinda old	the new trail thing.	
N/A	College Ave. lots of stop signs	N/A
None	Probably around Fisher Middle School because there's lots of crossing guards	Nope
Blossom Hill Blvd. and Los Gatos Blvd.	With crosswalks that have the voice, allows for people who are blind to cross safely	No
The one street that has a gas station	Na	No
none	the front of school people drive slow	no
non	sieawalks	no
E Main Street	More at the school	

Los Gatos Youth Commission Student Travel Survey - Los Gatos High_May 8, 2025_20.51

Q12	Q13	Q14
If applicable, what specific street(s)/bike path(s)/intersection(s) do you have safety concerns with?	Where do you feel that pedestrian safety efforts have been most effective in Los Gatos? Please explain.	Do you have any comments or suggestions about the survey itself?
N/A	Blossom Hill Rd. Lots of Bike lanes and crossing guards.	
University Avenue	University Avenue & Saratoga-Los Gatos Rd.	no
Los Gatos Blvd.	I'm not sure, I just moved here.	No.
n/a	In downtown, as there's many cross walks and sidewalks that are safe.	n/a
1) Intersection of Kennedy Rd, Los Gatos Blvd, and Caldwell Ave 2) Small bike lanes on Kennedy, cars going too fast		
None	Lg blvd	N/A
	Idk	Nah.
None	Bright green bike lanes	No
Los gatos Saratoga	By the middle school to my knowledge (Ramon's j fisher	Nope
University ave	Los Gatos creek trail bridge is wide and works good. I'd say it's the most effective pedestrian safe walkway in Los Gatos	Nope
none	Idk	no
		I'm unsure if the parent or student was supposed to fill this out because of how it was worded
	Los Gatos Almaden	
los gatos blvd, biking concerns	near elementary schools and middle schools nearby, there are more signs for crosswalks rather than ones on los gatos blvd without signs that cars have trouble seeing pedestrians	slowing down traffic wouldn't help because i'm late a lot of times because of traffic being slow in the first place
N/A	At the Kennedy and Los Gatos Blvd intersection, the crossing guard helps	none
None	The crossing guards around the schools have been helpful to ensure safety	No
N/A	Sidewalks because they don't allow cars there.	No
	By the new tech building	Intersecting streets was a bit confusing?
	have not noticed	
I don't	Crosswalks are pretty nice	No
N/a	Crosswalks near schools are well protected	No
Hwy 9 and University	N/A	N/A
N/A	Bike lanes	Nope
N/A	New creek trail access points, will make access much better.	Nope!
none		
none	the main intersection right before the high school	none
LG Boulevard right by AJ tutoring (Idk the street); it's very difficult for cars to see if there's a kid there	By Fisher; they have lots of adults yelling at kids being unsafe in their bikes (crossing guards and faculty)	Not really
None	On LG Blvd because it has great sidewalks and bike lanes	None
North sanata Cruz		
None	None	No
No	I don't know how to explain	
Many cars run the red light at Caldwell and Los Gatos Boulevard.	The crossing guards and bike lanes have been great!	I'm a bit confused about the "Intersection closest to you house" question, but otherwise it is good.
the van meter intersection has a lot of illegal driving goin on 🤔 also the bike lane around saratoga los gatos road is very uneven and bumpy		
	Elementary schools (Blossom Hill, etc.)	
	I think they are pretty good around Van Meter elementary school because there are many crossing guards and stop signs to protect pedestrians from cars.
