Dear Town of Los Gatos,

I am writing in support of the project at 16668 Shannon Rd, Los Gatos, CA 95032. The home owners, Peter & Cheri Binkley have been actively involved with us and other neighbors on their plans and have taken our feedback into consideration. We believe their new construction will improve the look of the street & community and will fit into the neighborhood.

Varun Sivakumar & Pooja Venugopal
