Prior HCD Finding	Page #	Prelim Review	Notes
Affirmatively Furthering Fair Housing			
Income and Racial Concentration Area of Affluence (RCAA): The element now includes actions to promote an inclusive community; however, the element must provide specific analysis of income and RCAA at a regional level (town compared to the broader region) to better formulate appropriate policies and programs. The analysis should at least address trends, conditions, coincidence with other fair housing factors (e.g., race, highest resource, overpayment), effectiveness or absence of past strategies (e.g., lack of publicly assisted housing and lack of multifamily zoning), local data and knowledge and other relevant factors.	A-69-	Yes	
Contributing Factors to Fair Housing Issues: Based on a complete analysis, the element should re-assess and prioritize contributing factors to fair housing issues. For example, the Town is wholly a RCAA, highest resource and highest median incomes in contrast to the rest of the region. As a result, fair housing issues such as the lack of affordable housing and segregation from the rest of the region should be a high priority.	A-16-	Yes	
Goals and Actions: As noted above, the element must include a complete analysis of affirmatively furthering fair	10-42- 10-77-	Yes	Housing Mobility Programs J, L, Q, T,O, AY, AV

housing (AFFH). The element must be revised to add goals and actions based on the outcomes of a complete analysis. In addition, while the element includes some actions toward AFFH and enhancing housing mobility (e.g., choices and affordability), actions should be added, numeric targets should be increased, and geographic targeting should be fine-tuned to better promote inclusive neighborhoods throughout the Town. This is particularly important since over 80 percent of the lower-income regional housing need allocation (RHNA) is isolated in two census tracts. As noted in HCD's prior review and the assessment of fair housing, the Town is wholly a racially concentrated area of affluence, highest resource and highest median incomes in contrast to the rest of the region.  These conditions and circumstances warrant significant and robust actions (not limited to the RHNA) to promote housing mobility and increasing housing choices and affordability throughout the Town, including lower-density neighborhoods. Actions should be added and revised with aggressive numeric targets and geographic targets throughout the Town, including lower-density neighborhoods. Examples include creating more housing choices and affordability in single-family neighborhoods beyond complying with law (e.g., SB 9, ADUs) such as missing middle housing types, targeting affordable housing funding, homesharing, more than one unit of converted space within a single-family structure, increased multifamily capacity, enhanced efforts on religious institutional sites and other alternative land use and financing strategies.			
Sites Inventory, Analysis and Adequate Sites	10.10		
Small Sites: The element identifies several sites with parcels less than a half-acre (p. D-13) that have common ownership and, in some cases, expressed interest to redevelop the site. For small sites with expressed interest in redevelopment, the element should clarify that the expressed interest is also in consolidating the sites. For the	10-49 D-11	Yes	Program K

explain the circumstances leading to the potential for consolidation such as necessity to consolidate due to access, feasibility, shape, or site planning flexibility. Based on the outcomes of this analysis, the element should add or modify Program K (Lot Consolidation) to further promote lot consolidation, if appropriate.  Electronic Sites inventory: For your information, while the Town has submitted an electronic sites inventory as part of this submittal, pursuant to Government Code section 65583.3, the Town must submit an electronic sites inventory with its adopted housing element. Please see HCD's housing element webpage at https://www.hcd.ca.gov/planning-andcommunity-development/housing-elements for a copy of the form and instructions. The Town can reach out to HCD at sites inventory@hcd.ca.gov for technical assistance.  Adequate Sites Programs: As noted in the prior review, if necessary to make appropriate zoning available to accommodate the lower-income RHNA, programs must be revised to meet all requirements pursuant to Government Code section 65583.2, subdivisions (c), (h) and (i). The element includes Programs D (Program By Right Zoning Text Amendment) and AS (Adequate Sites for Housing) to address these requirements, but these actions must be completed by January 31, 2024. With respect to a shortfall of adequate sites to accommodate the lower-income RHNA, the element includes Programs AR and AS. However, the Programs counts for the appropriate zoning igner the rezoning occurs after the statutory deadline of January 31, 2023. HCD understands the Town completed the rezoning after the statutory deadline and, therefore, the rezoning must meet all by right requirements pursuant to Government Code section 65583.2, and the rezoning must meet all by right requirements pursuant to Government Code section 65583.2 and the rezoning must meet all by right requirements pursuant to Government Code section 65583.2 and the rezoning accurs	remaining sites (Sites D-2 and D-5), the element should		
access, feasibility, shape, or site planning flexibility. Based on the outcomes of this analysis, the element should add or modify Program K (Lot Consolidation) to further promote lot consolidation, if appropriate.  Electronic Sites Inventory: For your information, while the Town has submitted an electronic sites inventory as part of this submittal, pursuant to Government Code section 65583.3, the Town must submit an electronic sites inventory with its adopted housing element. Please see HCD's housing element webpage at https://www.hcd.ca.gov/planning-andcommunity-development/housing-elements for a copy of the form and instructions. The Town can reach out to HCD at sitesinventory@hcd.ca.gov for technical assistance.  Adequate Sites Programs: As noted in the prior review, if necessary to make appropriate zoning available to accommodate the lower-income RHNA, programs must be revised to meet all requirements pursuant to Government Code section 65583.2, subdivisions (c), (h) and (i). The element includes Programs D (Program By Right Zoning Text Amendment) and AS (Adequate Sites for Housing) to address these requirements. With respect to sites identified in prior planning periods, the element meets statutory requirements, but these actions must be completed by January 31, 2024. With respect to a shortfall of adequate sites to accommodate the lower-income RHNA, the element includes Programs AR and AS. However, the Programs commit to the appropriate zoning given the rezoning occurs after the statutory deadline of January 31, 2023. HCD understands the Town completed the rezoning must meet all by right requirements pursuant to Government Code	, · · · · · · · · · · · · · · · · · · ·		
on the outcomes of this analysis, the element should add or modify Program K (Lot Consolidation) to further promote lot consolidation, if appropriate.  Electronic Sites Inventory: For your information, while the Town has submitted an electronic sites inventory as part of this submittal, pursuant to Government Code section 65583.3, the Town must submit an electronic sites inventory with its adopted housing element. Please see HCD's housing element webpage at https://www.hcd.ca.gov/planning-andcommunity-development/housing-elements for a copy of the form and instructions. The Town can reach out to HCD at sitesinventory@hcd.ca.gov for technical assistance.  Adequate Sites Programs: As noted in the prior review, if necessary to make appropriate zoning available to accommodate the lower-income RHNA, programs must be revised to meet all requirements pursuant to Government Code section 65583.2, subdivisions (c), (h) and (i). The element includes Programs D (Program By Right Zoning Text Amendment) and AS (Adequate Sites for Housing) to address these requirements. With respect to sites identified in prior planning periods, the element meets statutory requirements, but these actions must be completed by January 31, 2024. With respect to a shortfall of adequate sites to accommodate the lower-income RHNA, the element includes Programs AR and AS. However, the Programs commit to the appropriate zoning given the rezoning occurs after the statutory deadline of January 31, 2023. HCD understands the Town completed the rezoning must meet all by right requirements bursuant to Government Code			
modify Program K (Lot Consolidation) to further promote lot consolidation, if appropriate.  Electronic Sites Inventory: For your information, while the Town has submitted an electronic sites inventory as part of this submittal, pursuant to Government Code section 65583.3, the Town must submit an electronic sites inventory with its adopted housing element. Please see HCD's housing element webpage at https://www.hcd.ca.gov/planning-andcommunity-development/housing-elements for a copy of the form and instructions. The Town can reach out to HCD at sitesinventory@hcd.ca.gov for technical assistance.  Adequate Sites Programs: As noted in the prior review, if necessary to make appropriate zoning available to accommodate the lower-income RHNA, programs must be revised to meet all requirements pursuant to Government Code section 65583.2, subdivisions (c), (h) and (i). The element includes Programs D (Program By Right Zoning Text Amendment to Accommodate RHNA), AR (General Plan Amendment) and AS (Adequate Sites for Housing) to address these requirements. With respect to sites identified in prior planning periods, the element meets statutory requirements, but these actions must be completed by January 31, 2024. With respect to a shortfall of adequate sites to accommodate the lower-income RHNA, the element includes Programs AR and AS. However, the Programs commit to the appropriate zoning given the rezoning occurs after the statutory deadline of January 31, 2023. HCD understands the Town completed the rezoning must meet all by right requirements pursuant to Government Code			
consolidation, if appropriate.  Electronic Sites Inventory: For your information, while the Town has submitted an electronic sites inventory as part of this submittal, pursuant to Government Code section 65583.3, the Town must submit an electronic sites inventory with its adopted housing element. Please see HCD's housing element webpage at https://www.hcd.ca.gov/planning-andcommunity-development/housing-elements for a copy of the form and instructions. The Town can reach out to HCD at sitesinventory@hcd.ca.gov for technical assistance.  Adequate Sites Programs: As noted in the prior review, if necessary to make appropriate zoning available to accommodate the lower-income RHNA, programs must be revised to meet all requirements pursuant to Government Code section 65583.2, subdivisions (c), (h) and (i). The element includes Programs D (Program By Right Zoning Text Amendment to Accommodate RHNA), AR (General Plan Amendment) and AS (Adequate Sites for Housing) to address these requirements. With respect to sites identified in prior planning periods, the element meets statutory requirements, but these actions must be completed by January 31, 2024. With respect to a shortfall of adequate sites to accommodate the lower-income RHNA, the element includes Programs AR and AS. However, the Programs commit to the appropriate zoning given the rezoning occurs after the statutory deadline of January 31, 2023. HCD understands the Town completed the rezoning must meet all by right requirements pursuant to Government Code			
Electronic Sites Inventory: For your information, while the Town has submitted an electronic sites inventory as part of this submittal, pursuant to Government Code section 65583.3, the Town must submit an electronic sites inventory with its adopted housing element. cursory review, the rezoning does not appear to meet these			

requirements. As a result, these programs must clearly commit to meet all by-right requirements by January 31, 2024  In addition, please be aware, the recent California appellate decision in Martinez v. City of Clovis found that while overlays can be used in a rezone, when the base zone allows residential development, both the base zone and the overlay zone must comply with the minimum density requirements of Government Code section 65583.2, subdivision (h). The Town may need to adjust its rezoning strategy if the underlying zoning for sites that will be rezoned allows minimum densities less than 20 dwelling units per acre. Martinez v. City of Clovis (2023) 90 Cal.App.5th 193, 307 Cal.Rptr.3d 64.		FYI	
Governmental Constraints			
Land Use Controls: HCD's prior review found that the Town must list and evaluate development standards in the North Forty Specific Plan and High Density Residential and Commercial designation. In response, the Town has now listed development standards by each zoning district but should also analyze those development standards for impacts on housing supply and cost and most importantly, the ability to encourage maximum densities without exceptions. For example, lot coverages, heights, and setbacks in the Multifamily Residential (RM) zone; and lot coverage heights and guest parking requirements in the North Forty Specific Plan could be constraints. Based on the outcomes of a complete analysis, the element should add or modify programs to include specific commitment to review and revise these development standards as necessary.	10-43- 10-46- 10-60- C-8	Yes~	Programs D, J and AA
Local Processing and Permit Procedures: The element now discusses decision-making bodies and lists approval findings for the Architecture and Site Application. However, the element should also analyze these processes to better inform programs to address identified constraint. For example, the element mentions the decision-making body depends on the scope of the application. The element	10-71 C-41-	~/Yes	Program AQ

should explain the scope, resulting decision-making body and impacts on approval timing and certainty. In addition, the element lists approval findings and concludes some findings may be constraints then modifies Program AQ (Zoning Code Amendments) to amend approval findings (considerations). But the element should discuss which approval findings may be constraints to better inform implementation of Program AQ.			
Housing Programs: Governmental Constraints			
Programs: As noted above, the element requires a complete analysis of potential governmental constraints. Depending upon the results of that analysis, the Town may need to revise or add programs and address and remove or mitigate any identified constraints. In addition, programs should be revised, as follows:			
Program D (Additional Capacity for the North Forty Specific Plan): The Program should also commit to establish or modify development standards to facilitate achieving maximum densities, regardless of the level of affordability and should specify to either remove the unit cap or increase the unit cap to allow maximum build out of each parcel, including State Density Bonus Law or other circumstances that might warrant increasing allowable densities.	10-43	Yes	
Program V (Housing opportunities for Persons living with Disabilities): Given the importance of promoting housing access for persons with disabilities, the Program could be modified with a date earlier in the planning period (e.g., by December 2024).	10-57	Yes	
Program AA (Reduce Parking Standards): The Program currently commits to "Initiate a study to determine specific updates" While initiating a study and making a determination are important steps by themselves, these actions do not result in outcomes. The Program should clearly commit to amending the municipal code. For example, the Program could commit to: "Initiate a study and outreach, including with developers, and amend the Municipal Code, as follows"	10-60	Yes	

Program AQ (Zoning Code Amendments): The Program commits to apply the Housing Element Overlay Zone (HEOZ) to identified sites and modify development standards. HCD understands this action has been completed. Based on a cursory review of the Town's Ordinance 2347, some development standards such as heights may be a constraint on achieving maximum densities. As a result, this Program should commit to monitor and evaluate these development standards, including outreach with the development community, and making adjustments, as appropriate, by a specified date.	10-70	Yes	
Program AW (Story Poles and Netting Policy): While the Program now commits to revise Story Poles and Netting Policy Requirements; these requirements are constraints and impact housing costs; supply (number of units) and approval certainty and should be removed or replaced with cost effective measures to promote certainty for the developers and the community. Further, the element should evaluate the effectiveness of any future requirements or measures, and making adjustments, as necessary, by a specified date (e.g., by 2028).	10-76 C-38	Yes	
Housing Programs: ADU			
Program Q Accessory Dwelling Units (ADU): While the Program now commits to amend the ADU Ordinance, it must also commit to establish incentives such as modifying development standards (e.g., heights), pursuing funding; waiving fees beyond ADU law; proactive marketing and establishing points of contact to ease permitting processes. In addition, the Program commits to monitor production and affordability of ADUs annually but should also commit to making adjustments by a specified date (e.g., within six months) if production and affordability are not meeting assumptions. Further, the Program should clearly commit to options beyond incentives such as rezoning if production and affordability far differs from assumptions.	10-52-	Yes
