Programs

- ~~maximum allowable density from 20 dwelling units per acre to 40 dwelling units per acre.~~
- Clarify the text of the non-residential zones regarding housing.
- Rezone the Caltrans Right-of-Way – Site E3 from R:1:8 to R-M:5-12. Take additional steps to make the site available for residential development, including decertification, by the end of 2026. If by 2027 the site has not progressed to be available for residential development in the planning period, identify and add additional sites, if necessary, by 2028.
- Amend the Accessory Dwelling Unit Ordinance.
- Amend the Density Bonus Ordinance.
- Amend the Architecture and Site considerations for a multi-family and mixed-use project to make them objective and provide certainty in outcomes.
- Amend the Architecture and Site findings for a multi-family and mixed-use project to make them objective and provide certainty in outcomes of the application review. Specifically address Finding (4) relating to site layout and Finding (6) relating to the exterior architectural design of buildings and structures. These findings can be considered subjective and open to interpretation.
- Amend the Conditional Use Permit findings for a multi-family and mixed-use project to make them objective and provide certainty in outcomes of the application review. Specifically address Finding (1) relating to use of the property as desirable to the public convenience and Finding (2) relating to the integrity and character of the zone. These findings can be considered subjective and open to interpretation.
- Amend the Zoning Code to clarify that the Town will comply with Section 65852.3 of the Government Code to allow the installation of manufactured homes.
