- 4.2 Governing Law. This Agreement, regardless of where executed, shall be governed by and construed to the laws of the State of California. Venue for any action regarding this Agreement shall be in the Superior Court of the County of Santa Clara.

In the event of such termination, Town shall pay Service Provider an amount that bears the same ratio to the maximum contract price as the work delivered to the Town bears to completed services contemplated under this Agreement, unless such termination is made for cause, in which event, compensation, if any, shall be adjusted in light of the particular facts and circumstances involved in such termination.

4.4 Prevailing Wages. This project is subject to the requirements of Section 1720 et seq. of the California Labor Code requiring the payment of prevailing wages, the training of apprentices and compliance with other applicable requirements. Contractors and all subcontractors who perform work on the project are required to comply with these requirements. Prevailing wages apply to all projects over \$1,000 which are defined as a “public work” by the State of California. This includes: construction, demolition, repair, alteration, maintenance and the installation of photovoltaic systems under a Power Purchase Agreement when certain conditions are met under Labor Code Section 1720.6. This include service and warranty work on public buildings and structures.

4.4.1 The applicable California prevailing wage rate can be found at [www.dir.ca.gov](http://www.dir.ca.gov) and are on file with the Town of Los Gatos Parks and Public Works Department, which shall be available to any interested party upon request. The contractor is also required to have a copy of the applicable wage determination posted and/or available at each jobsite.

4.4.2 Specifically, contractors are reminded of the need for compliance with Labor Code Section 1774-1775 (the payment of prevailing wages and documentation of such), Section 1776 (the keeping and submission of accurate certified payrolls) and 1777.5 in the employment of apprentices on public works projects. Further, overtime, weekend and holiday pay, and shift pay must be paid pursuant to applicable Labor Code section.

4.4.3 The public entity for which work is being performed or the California Department of Industrial Relations may impose penalties upon contractors and subcontractors for failure to comply with prevailing wage requirements. These penalties are up to \$200 per day per worker for each wage violations identified; \$100 per day per worker for failure to provide the required paperwork and documentation requested within a 10-day window; and \$25 per day per worker for any overtime violation.

4.4.4 As a condition to receiving progress payments, final payment and payment of retention on any and all projects on which the payment of prevailing wages is required, the contractor agrees to present to the TOWN, along with its request for payment, all applicable and necessary certified payrolls (for itself and all applicable subcontractors) for the time period covering such payment request. The term “certified payroll” shall include all required documentation to comply with the mandates set forth in Labor Code Section 1720 et seq, as well as any additional documentation requested by the Agency or its designee including, but not limited to: certified payroll, fringe benefit statements and backup documentation such as monthly benefit statements, employee timecards, copies of wage statements and cancelled checks, proof of training contributions (CAC2 if applicable), and apprenticeship forms such as DAS-140 and DAS-142.

4.4.5 In addition to submitting the certified payrolls and related documentation to the TOWN, the contractor and all subcontractors shall be required to submit certified payroll and related documents electronically to the California Department of Industrial Relations. Failure to submit payrolls to the DIR when

mandated by the project parameters shall also result in the withholding of progress, retention and final payment.

- 4.4.6 No contractor or subcontractor may be listed on a bid proposal for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].
  - 4.4.7 No contractor or subcontractor may be awarded a contract for public work on a public works project, unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. Contractors MUST be a registered “public works contractor” with the DIR AT THE TIME OF BID. Where the prime contract is less than \$15,000 for maintenance work or less than \$25,000 for construction alternation, demolition or repair work, registration is not required.
  - 4.4.8 Should any contractor or subcontractors not be a registered public works contractor and perform work on the project, Contractor agrees to fully indemnify the TOWN for any fines assessed by the California Department of Industrial Relations against the TOWN for such violation, including all staff costs and attorney’s fee relating to such fine.
  - 4.4.9 The TOWN shall withhold any portion of a payment; including the entire payment amount, until certified payroll forms and related documentation are properly submitted, reviewed and found to be in full compliance. In the event that certified payroll forms do not comply with the requirements of Labor Code Section 1720 et seq., the TOWN may continue to hold sufficient funds to cover estimated wages and penalties under the contract.
- 4.5 Amendment. No modification, waiver, mutual termination, or amendment of this Agreement is effective unless made in writing and signed by the Town and the Service Provider.
- 4.6 Disputes. In any dispute over any aspect of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees, including costs of appeal.
- 4.7 Notices. Any notice required to be given shall be deemed to be duly and properly given if mailed postage prepaid, and addressed to:

or personally delivered to Service Provider to such address or such other address as Service Provider designates in writing to Town.

- 4.8 Order of Precedence. In the event of any conflict, contradiction, or ambiguity between the terms and conditions of this Agreement in respect of the Products or Services and any attachments to this Agreement, then the terms and conditions of this Agreement shall prevail over attachments or other writings.
- 4.9 Entire Agreement. This Agreement, including all Exhibits, constitutes the complete and exclusive statement of the Agreement between the Town and Service Provider. ## Cover Letter & Statement of Qualifications

May 14, 2024

To Whom It May Concern,

Air Systems has been led by Art Williams (President & CEO) and Marty Cull (V.P.) for over 25 years. As an EMCOR Company, we are held to the highest standards of accountability, record keeping and invoicing, technical training and expertise, and most importantly – ethics and morals. We are audited by EMCOR (publically traded on the NYSE) twice per year, but are otherwise mostly left to operate in the relationship forging, trust winning manner that the bay area has expected from Air Systems for over 50 years.

Our South Bay Technician Leadership Team, led by Journeyman-Foreman Noah York (10 years at ASI), collectively tout over 70 years of practical HVAC experience and are all expert HVAC technicians and communicators who oversee all preventive maintenance, planned and emergency repairs, and project work. We have over 20 apprentice and journeyman level technicians dedicated to our south bay partners and guarantee a **2 hour response time** to their emergency needs.

I, bidder Joseph Barton, have been with Air Systems since 2013 and have won numerous sales and customer service awards. My client-centric approach has led to many accolades from ASI and partners alike. In my account portfolio, I manage several major municipalities, such as Town of Los Gatos, Alameda County Water District, the City of Orinda & the Contra Costa Water District. My decade plus experience in the HVAC industry, coupled with my world class communication skill set and passion (B.A., Communication Studies, SJSU), make me an account manager that is knowledgeable, responsive, friendly and accountable.

The team at Air Systems is looking forward to a mutually prosperous relationship with the Town of Los Gatos. Thank you in advance for your time and consideration.

Kindest Regards,

Joseph Barton
