Subject: Quotation for RIMS Software
Date: April 17, 2024

The following is a quotation for RIMS technical services to set up Crossroads eCitation Link and for RIMS to Crossroads Accident Import link based on your recent request.

Crossroads Accident Import Link Software

Item	Price
RIMS to Crossroads Import Link Software	\$2,800
Installation Completed via Remote Access and Phone	\$900
Annual Support and Updates – First Year	\$420
TOTAL	\$4,120

Crossroads eCitation Link Software

Item	Price
Technical Services for eCitation Setup and Testing	\$450
TOTAL	\$450

As discussed, if LGPD intends to submit 555 report data to the CHP SWITRS interface, it must be uploaded to SWITRS using the same system where the 555 reports were entered. If LGPD intends to use Crossroads for 555 accident reports, LGPD will need to obtain the appropriate link software from Crossroads for the SWITRS upload.

Once the RIMS to Crossroads Import link software has been installed, LGPD will no longer be able to use the RIMS CHP 555 Export to SWITRS link. Therefore, this software link will be removed from the FY 24/25 annual support and updates invoice.

This quotation is for RIMS software only and does not include any hardware or third-party software that may be required by Crossroads to support these interfaces. You are encouraged to contact your Crossroads vendor to determine any costs that may be associated with providing their portion of these interfaces.

If you plan to purchase via purchase order, Sun Ridge Systems may require you to make some minor modifications to the purchase order's Standard Terms and Conditions. Specifically, sections related to Warranty and Indemnification may require modification. Examples of these modifications can be provided upon request.

This quotation is valid for 90 days and may change thereafter. If you have any questions, please call me on 800-474-2565. Thank you for your continued interest in RIMS.
