Reference: Lease Abatement Request

Hello Laurel,

On behalf of the LGS Recreation Board of Directors and the Agency, I wish to express our thanks and gratitude to you, your leadership team and the Town Council in anticipation of Council's approval of the ARC and YRC lease concessions to the Agency through June 30, 2023.

The Agency Board and leadership view the proposed Town support as a vote of confidence of our role in the community. It affirms the many ways our vision and mission align with Town priorities such as: community character, civic enrichment and engagement, quality of life, and special events in which citizens of all ages have an opportunity to thrive. The lease abatement will enable the Agency to conserve cash and continue to fund operations. During this next year of operation we are committed to continuing to serve the community with a robust offering of programs and special events.

Agency will also carefully investigate options to restructure for long term financial sustainability. We look forward to the opportunity to explore how the Town of Los Gatos and Agency may expand partnership as stakeholders for mutual benefit. This may also be a time to modify the list of services governed by the lease. Again, we thank you and the Los Gatos Town Council for your support and encouragement during this challenging time.

Warm regards,

Nancy Rollett

May 11, 2022

Dear Mayor Rennie, Vice Mayor Ristow, and Council Members Badame, Hudes, and Sayoc,

I am writing today to thank the Council for continuing rent forgiveness for NUMU in FY23.

Thank you for including another year of rent forgiveness for FY 2022/23 as shown in the In Kind Donations FY 2022 Summary in the Proposed Town FY 2022/23 Operating Budget: "...rent forgiveness is recommended for NUMU in FY 2022/23 with backfilling this revenue loss with the ARPA funds." This is in line with the Council's priority to use part of American Recovery Act (ARPA) funds to provide rent forgiveness to non-profit organizations.

The Town's rent forgiveness has been a true lifeline for all of our efforts to support the Town's Strategic Priorities, and is a testament for what we can achieve together. Please approve rent forgiveness in FY 2022/23 for 106 E. Main Street to support NUMU's ongoing responsibility to maintain and steward the Town of Los Gatos' history collection and provide arts, history, and cultural educational services to the Los Gatos community and support NUMU's critical role in maintaining—and expanding—the Town's cultural footprint.

NUMU's relationship with the Town of Los Gatos is vital to us and our ongoing ability to serve our community. We look forward to further conversations about our partnership. Thank you from all of us for your continued support.

In partnership,
