

# OFFICER SAFETY PLAN 10

## Small/Mid Agency | Comparing your options

The OSP for Small/Mid Agency bundles are designed specifically with agencies under 100 sworn in mind, to help you benefit from the best of Axon's connected, mission-critical technologies in an affordable cost structure that works for you. The Officer Safety Plan 10 helps your agency make the most of your connected, mission critical technologies. From TASER 10 to Axon Fusus, realize substantial savings when you bundle Axon hardware and software offerings.

<sup>1</sup> Technology Assurance Plan for warranties and refreshes.

<sup>2</sup> Axon Body 3 or Axon Body 4 and Axon Dock hardware purchased separately. Includes two Axon camera upgrades and one camera dock upgrade, which apply to 5-year contracts only.

<sup>3</sup> Additional configuration may be needed to ensure Signal compatibility, and not all holster arrangements may be compatible. Reach out to your Axon representative to learn more.

<sup>4</sup> License subscription only. Does not include implementation costs. Available for agencies with 15+ sworn officers.

<sup>5</sup> For more details on Fusus tiers, reach out to your account manager.

Quantities may differ between plans. Consult your sales representative for exact quantities of plan features.

Prices as noted herein are subject to an annual increase beginning on the second anniversary of the applicable sales agreement, or as otherwise stated in such agreement.
