Re: 9/15/26 Town Council Meeting

I have major concerns to the Los Gatos-Monte Sereno on a law enforcement services contract with Saratoga that is going to be submitted to Town Council for a quick decision, that needs to be decided immediately.

The town folks should be able to have more than .. whatever time this contract appears in public. I take it three days?

To review the contract. On the face of facts gathered ..

- Town police budget is approximately \$26 million coving the same size territory and population as Saratoga currently hold.
- Saratoga was paying 9 million last year to the sheriffs department, Who raised it to 11.5 million this year.
- sheriffs department gave a three month extension to Saratoga.
- Town wants 10 year contract with Saratoga. The public is not sure what is in the contract.

Time is important, and an ultimatum is being proposed by this Agenda Item, under this administration which I do not believe in the long run is best for this Town, especially when the town has talked about a new police department building at 70 million dollars.. and taxing Los Gatos Residents!

Please give the Public full disclosure to contract proposed and at least a week for the public to respond.

Respectfully Submitted,

Gus Who
