COUNCIL AGENDA REPORT**

MEETING DATE: 08/04/2020

ITEM NO: 7

DATE: July 14, 2020
TO: Mayor and Town Council
FROM: Laurel Prevetti, Town Manager
SUBJECT: Adopt a Resolution Establishing the FY 2020/21 Gann Appropriations Limit for the Town of Los Gatos

RECOMMENDATION:

Adopt a resolution establishing the FY 2020/21 Gann appropriations limit for the Town of Los Gatos.

BACKGROUND:

On November 6, 1979, California voters approved Proposition 4, commonly known as the Gann Spending Limitation Initiative, establishing Article XIII B of the California State Constitution. This Proposition, which became effective in fiscal year (FY) 1980/81, mandated an appropriations (spending) limit on the amount of tax proceeds that the State and most local government jurisdictions may appropriate within a fiscal year. Charges for services, fees, grants, loans, donations, and other non-tax proceeds are excluded from the spending limitation. Exemptions are also made for voter-approved debt prior to January 1, 1979 and the cost of court-related or Federal government mandates.

The Initiative was later modified by two propositions: Proposition 98 in 1988 and Proposition 111 in 1990. Proposition 98 established the return of tax revenues exceeding appropriation limit levels to the State or citizens through a process of refunds, rebates, or other means. Proposition 111 allowed more flexibility in the appropriation calculation factors.

DISCUSSION:

Attached for Council consideration is a resolution establishing an appropriations limit for FY 2020/21. The appropriations limit is based on population and per capita income data provided by the State of California Finance Department. In alignment with State guidelines, the appropriation limit for FY 2020/21 was calculated using inflation and population factors comprised of the change in County or Town population (whichever is higher) and the change in California per capita personal income.

In addition to the annual inflation and population adjustments, the Appropriations Limit must be adjusted in the event that the financial responsibility for providing services is transferred in whole or in part from one entity of government to another. Whenever financial responsibility for all or some part of a service is transferred between government agencies, the agencies must increase or decrease their limits "by such reasonable amount as the said entities shall mutually agree...." The amounts adjusted should be the same for the two agencies.

The Town recently signed an annexation agreement with the County of Santa Clara reflecting the annexation of multiple county pockets in 2019 and both parties are in a process of determining the mutually agreed amount for Gann Limit calculation purposes. Please note that the Town of Los Gatos FY 2020/21 Appropriation Limit will increase with the adjustment. Staff will present the updated calculation to Town Council as soon as the adjustment amount is available.

Current calculation of the FY 2020/21 Gann Appropriations Limit is as follows:

FY 2020/21 Calculation				
Town Population Factor		Per Capita Income Factor		2019/20 Appropriation Limit
1.0234	X	1.0373	=	1.061573
				X \$ 43,050,108 = \$ 45,700,824

The appropriations limit is the total amount of tax money that can be appropriated by the Town in FY 2020/21. The proposed FY 2020/21 budget anticipates \$31,407,235 in taxes, which is \$14,293,589 less than the appropriation limit of \$45,700,824.

COORDINATION:

The Gann Appropriation Limit report was prepared by the Finance Department.
