.....

(l) *Determination.* Applications for permits for parking lot improvements shall be determined by the ~~Planning~~ Community Development Director. When compliance with State disabled-accessibility statutes and regulations will result in a reduction in the number of spaces remaining in the parking lot below the number required by this chapter, the application shall be determined by the ~~Development Review Committee~~ Community Development Director through the building permit process.

(m) *Standards for disabled accessibility.* Parking lot improvements shall be rendered disabled-accessible. Each application for a permit for parking lot improvements shall be reviewed and determined in accordance with the requirements for disabled-accessibility as set forth in title 24 of the California Administrative Code. The ~~Development Review Committee~~ Community Development Director may approve a permit for parking lot improvements which reduces the number of parking spaces required pursuant to section 29.10.150. This approval must be based upon a finding that public necessity for disabled-accessible parking spaces outweighs the need for the number of parking spaces required by section 29.10.150.

(n) *Effect of ~~Development Review Committee~~ Community Development Director approval.* No penalties shall apply to and no assessments shall be based on an increased parking space deficiency or a created parking space deficiency pursuant to section 29.10.150 resulting from the ~~Development Review Committee~~ Community Development Director approval of a parking lot permit under subsection (l) of this section. This subsection (n) shall not apply to an increased parking space deficiency or a created parking space deficiency due to an addition to a building or a structure or to an intensification of use.
