Active Week Is Planned By Women of the Moose

Women of the Moose activities for this week include three meetings of different sections, the first of which will be the Senior Regent's Fancy Escort Drill Team, which will meet for practice tomorrow evening. The group will gather at the Moose Hall, 19 W. Santa Clara St., at 8 p.m. Leader Emma Hartwig requests that all members of the team be present, and qualifications for applicants

are invited to attend Saturday evening's meeting and program.

Also meeting Thursday evening will be the Friendship Circle of the Women of the Moose at the home of Jennie Erickson, 547 S. Ninth St. All members are requested to attend to make final plans for the Christmas Party which will be held at Lou's Village Dec. 15, at 10 a.m.

OES Group Will Convene At Luncheon

Maynor Oaks in Atherton will be scene of a luncheon and Christmas party of Ruth Gleaners Association, Order of the Eastern Star, Saturday afternoon at 1 o'clock. The 1946 Ruths will be hostesses, and Nona Turbett of Redwood City is in charge of arrangements.

Children's Books Theme of Meeting

Mrs. Kenneth Downing and Mrs. Howard Olson of Los Gatos will be co-hostesses at the Delta Phi Upsilon Alumnae Association annual Christmas party Saturday afternoon. The meeting will be held at 2 p.m. at the home of Mrs. Eldred Hodges, 37 Ellenwood Ave., Los Gatos.

The theme of the meeting will be centered around children's picture books, and a discussion will be held about the best type of book to choose for Christmas gifts to children. An exhibit of books will be

on display, and as part of the entertainment Miss Emma Borzone will read some Christmas stories.

Instead of giving each other presents at the party, members will donate money toward purchasing books for children in the County Hospital. As the year's project, the different members take turns telling stories to children in the tubercular ward at the hospital.

The group will meet again Jan. 11 with the active chapter of San Jose State College in celebration of Founder's Day.

REDWOOD CITY — An inmate at San Mateo County Jail here, Daniel Lee Johnson, 34, hanged himself in his jail cell early today, Sheriff's officers reported. Deputies making rounds of the jail at about 6 a.m. found Johnson with stripes of a bedsheet knotted around his neck hanging from the bars of his cell. He was taken to Kaiser Hospital a few blocks away, but was reported dead on arrival. Asst. Sheriff Eugene Stewart said Johnson had been treated by prison doctors and at Chope Hospital after complaining that he was "losing his mind." Stewart said Johnson had told jail physicians he was suffering from LSD "flashbacks" but had never said he might take his own life. Johnson had been transferred into a private cell at his own request after saying he was uncomfortable with other prisoners. He had been imprisoned in December on an assault and battery conviction, and was held for parole investigation after serving his time on the assault charge.

Husband
Is Suspect
In Killing

SANTA CLARA — A Santa Clara man has been charged on suspicion of murder in connection with the pistol slaying of his bride of only three months, police said today. Stoney McDonald, 22, of 1621 Nobil Ave., is being held in the prison in ward of the County Jail. McDonald was charged with the slaying of his bride, Penny McDonald, 21, Wednesday afternoon. There were no witnesses to the 5:30 p.m. shooting, according to Lt. Harry Burns, and a motive is not known. McDonald allegedly shot Mrs. McDonald in the living room of their apartment, then went to the balcony of the apartment and fired two shots at apartment manager Felipe Orio. Both shots missed. Orio then went up the stairs to the apartment and found McDonald slumped on a living room couch, said Burns. The McDonalds had only been married since last December.

26-Year-Old Researcher
Dies; Apparent Suicide

A young Ames Research Center worker has been found dead in his Cupertino bedroom, and telephoned his parents, who live in Mountain View. Adkins' father opened the door. The youth was seated on the bed, rife between his legs. An empty shell casing was found on the floor. The body of Gregory John Adkins, 26, 10194 Parkwood Dr., was discovered in his bedroom Wednesday by his wife, Darlene. Adkins apparently arrived home at 4 p.m. from work, but had locked himself in the room and fired one shot from an M-1 carbine through his head, according to sheriff's deputies.

West Side Blaze Probed

Investigators today are probing the cause of a blaze which did extensive damage to a rambling, two-story West Side house which dates back eight decades. Mrs. Mildred Wood heard a "popping" noise when she returned to her house at 15289 Shannon Rd. Wednesday. The light over the kitchen sink was out, she told Central Fire District officials. Mrs. Wood got a spare fuse and walked back to the kitchen, to find it filled with smoke. Some 18 firemen and firefighters quenched the blaze.
