[EXTERNAL SENDER]

Are some of the town properties appropriate for high density housing?

- Oak Meadow Park
- Blossom Hill Park
- Balzer Field
- Sports Fields at Fisher Middle School and Los Gatos High School -Town Offices

There must be a way to comply with the State of California mandated housing requirements without destroying the landmarks, historical areas, and environmental natural beauty that all of us (and OTHERS) have enjoyed and created.

Please ask the State of California for more time. We would like to comply. We need more clear feedback.
