[EXTERNAL SENDER]

To The Town of Los Gatos,

We are writing this letter in full support of the proposed plans to combine the two units at 501 Monterey Ave.

Carlos and Katrina Azucena have shared with us their plans to restore 501 Monterey Ave to its original layout by combining the two units. We are asking you to approve their request.

We live at [REDACTED] - just two houses down from 501 Monterey Ave and look forward to them being given this opportunity to enhance our community through this project.

Sincerely,

[EXTERNAL SENDER]

Dear Staff,

Unfortunately, my wife and I are unable to make the Planning Commission hearing next Wednesday, February 28th for our neighbors hearing. However, we live across the street at [REDACTED] and want to acknowledge that we have met and reviewed the plans with Carlos and Katrina Azucena. We are in full support of restoring 501 Monterey Avenue back to its original layout by combining the two units. Please let us know if you have any questions.

Sincerely,

Michael & Jennifer Black
