

**TOWN OF LOS GATOS  
COUNCIL AGENDA REPORT**

MEETING DATE: 02/20/2024

ITEM NO: 5

---

DATE: February 13, 2024  
TO: Mayor and Town Council  
FROM: Laurel Prevetti, Town Manager  
SUBJECT: Receive the Monthly Financial and Investment Report for December 2023

**RECOMMENDATION:**

Receive the Monthly Financial and Investment Report for December 2023.

**BACKGROUND:**

California Government Code Section 41004 requires that the Town Treasurer submit to the Town Clerk and the legislative body a written report and accounting of all receipts, disbursements, and fund balances. The Finance Director assumes the Town Treasurer role.

Attachment 1 contains the December 2023 Monthly Financial and Investment Report which fulfills this requirement. The December 2023 Monthly Financial and Investment Report was received by Finance Commission on February 12, 2024.

**DISCUSSION:**

The December 2023 Monthly Financial and Investment Report includes a Fund Balance Schedule, representing estimated funding available for all funds at the end of the respective month. The fund balances were estimated at a point in time and will be finalized at the final close of the fiscal year.

Please note that the amount in the Fund Schedule differs from the Portfolio Allocation and Treasurer's Cash Fund Balances Summary schedule because assets and liabilities are components of the fund balance.

DISCUSSION (continued):

As illustrated in the summary below, Total Cash is adjusted by the addition of Total Assets less the amount of Total Liabilities to arrive at the Ending Fund Balance – which represents the actual amount of funds available.

<b>Reconciling Cash to Fund Balance - December 31, 2023</b>		
Total Cash	\$	67,640,642
Plus: Assets	\$	13,702,329
Less: Liabilities	\$	(26,212,721)
<b>Estimated Fund Balance</b>	<b>\$</b>	<b>55,130,250</b>

As of December 31, 2023, the Town's financial position (Assets \$81.34M, Liabilities \$26.21M, and Fund Equity \$55.13M) remains strong and there are no issues meeting financial obligations in the near future.

As of December 31, 2023, the Town's weighted portfolio yield for investments under management was 4.23% which was 30 basis points above the Local Agency Investment Fund (LAIF) yield of 3.93% for the same reporting period. Currently, the LAIF portfolio's weighted average maturity (WAM) is 230 days versus the Town's longer WAM of 587 days. The longer maturity (WAM) for Town assets under management reflects the Town's strategy to take advantage of higher yields associated with longer maturities balanced with shorter term yields available on investments held with the State's LAIF. The Town's weighted average rate of return on investments under management of 4.23% at the close of December was 3 basis points higher when compared to the prior month's return of 4.20% reported as of November 30, 2023.

Since December 2022, LAIF yields had climbed from 217 basis points (2.17%) to 393 basis points (3.93%) through the end of December 2023.

Staff, in coordination with the Town's investment advisor, primarily replaced maturing investments with long term maturities in the three-to-five-year maturity range. These investments capture current yields that exceed the rates expected to be earned in the LAIF pool during that same time period. The State LAIF pool typically lags the market when current market yields are either increasing or decreasing.

On March 22, 2023, the Federal Reserve voted to approve a ¼ percentage basis point increase from 4.75% to 5.00%. This action was followed with additional hikes in May 2023 from 5.00% to 5.25% and July from 5.25 % to 5.5 %. Through these actions over time, the Federal Open Market Committee's (FOMC) goal is to bring year to year inflation to its targeted level of 2%.

SUBJECT: Monthly Financial and Investment Report for December 2023

DATE: February 13, 2024

DISCUSSION (continued):

The labor market showed signs of loosening. The ratio of job openings to unemployed people fell to 1.4, the lowest figure since 2021. Nonfarm payrolls rose by 199,000 in November. Wage growth was 4.0% year-on-year, unchanged from the prior month and the lowest since June 2021. The unemployment rate unexpectedly rose to 3.7% from 3.9% despite a decline in the labor force participation rate from 62.7% to 62.8%.

The Town's investments are in compliance with the Town's Investment Policy dated February 21, 2023, and also in compliance with the requirements of Section 53600 at seq. of the California State Code. Based on the information available, the Town has sufficient funds to meet the cash demands for the next six months.

CONCLUSION:

Receive Monthly Financial and Investment Report for December 2023.
