Use Designation with a mixed-use project and residential uses are already allowed with a Conditional Use Permit in the CH zone as a part of a mixed-use project.

BACKGROUND:

With certification of the 2023-2031 Housing Element, the Town committed to completing the Implementation Programs contained in the Housing Element. The Town is required to report the progress made on the Housing Element Implementation Programs to the California Department of Housing and Community Development (HCD) to demonstrate compliance with the Housing Element and maintain its certification. Implementation Program AB of the Housing Element requires amendments to the Mixed-Use Commercial Land Use Designation of the General Plan and the CH zone (Chapter 29 of Town Code) to allow for 100 percent affordable residential development in these areas without the need of a commercial component within the Mixed-Use General Plan Land Use Designation and CH zone (Attachment 1). Specifically, Implementation Program AB states the following:

- Amend the General Plan and the Municipal Code to allow for 100 percent affordable residential development without the requirement of commercial uses.

The role of the General Plan Committee (GPC) is to assist the Planning Commission and Town Council on matters relating to the General Plan or any specific plans. As a legislative item, the Planning Commission will make a recommendation to Town Council on the proposed amendments.

DISCUSSION:

The following is a summary of the required amendments for consideration by the GPC.

A. Mixed-Use Commercial General Plan Land Use Designation

The Mixed-Use Commercial Land Use Designation within the Town of Los Gatos 2020 General Plan Land Use Element currently permits, among other things, a mixture of retail, office, and residential uses in a mixed-use project. However, a residential use is not permitted unless associated with a commercial use within a mixed-use project.

Housing Element Implementation Program AB requires amending this Designation to also allow a standalone residential use when the development would be 100 percent affordable. The proposed General Plan amendment would affect all Town parcels with a Mixed-Use Commercial Land Use Designation and is not limited to the properties included in the Sites Inventory of the Housing Element. Attachment 2 shows the draft amendment to the Mixed-Use Commercial General Plan Land Use Designation.

B. Restricted Commercial Highway (CH) Zone

Generally speaking, Town properties with a Mixed-Use Commercial General Plan Land Use Designation are zoned CH, and these properties are located along Los Gatos Boulevard, north of Shannon Road. According to Town Code Section 29.60.415, “the CH or restricted highway commercial zone is intended for development of vehicular-oriented activities and sales along highway frontages, intermingled with compatible retail, service, and administrative activities.”

Housing Element Implementation Program AB would involve amending Town Code Section 29.60.420 (CH Zone – Permitted Uses), adding “100 percent affordable housing developments” as a permitted use in the zone. The proposed Town Code amendment would affect all Town parcels that are zoned CH and is not limited to the properties included in the Sites Inventory of the Housing Element. Attachment 3 shows the draft amendment to Town Code Section 29.60.420.
