Dear Neighbors,

As part of your community since 2001, Mariposa Montessori would like to inform you of an upcoming change to the hours of our after-school program.

Currently, Mariposa Montessori's after-school program ends at 4pm. We have, however, received several requests from our students' families to extend this program till 6pm in order to better accommodate households with two parents who are working full time or do not have any flexibility in their work schedules to pick up their children before 4pm. As it is our goal as the only Montessori school in Los Gatos to be able to better accommodate the needs of our community and allow more children to have access to a Montessori education, we have requested the Town of Los Gatos to extend our Conditional Use Permit till 6pm.

The impact this change will have on traffic is that instead of 12-20 children being picked up at 4pm, there will be a percentage of these kids whose families will choose to pick up their children at the later 6pm time.

If you have any concerns or questions around this change please reach out to us at the details below.

If you are a young family, we would love for you to consider us for your pre-school and childcare needs, and have you visit the school.

Sincerely,

Rekha Mundkur
