

TOWN OF LOS GATOS
FINANCE COMMISSION REPORT

MEETING DATE: 10/09/2023

ITEM NO: 6

DATE: October 2, 2023
TO: Finance Commission
FROM: Laurel Prevetti, Town Manager
SUBJECT: Receive the CalPERS Actuarial Valuation Reports as of June 30, 2022

RECOMMENDATION:

Receive the CalPERS Actuarial Valuation Reports as of June 30, 2022.

BACKGROUND:

The Town's pension plans are administered by the Board of Administration of the California Public Employees' Retirement System (CalPERS). The Board of Administration is responsible for the management and control of CalPERS. In addition, the Board has exclusive control of the administration and investment of funds. Sworn employees are covered under the Safety Plan, which is a pooled plan, while all other employees are covered in the Miscellaneous Plan, which is a separate plan. The Miscellaneous Plan is administered by CalPERS in the Public Employees' Retirement Fund (PERF).

In order for the Town to understand the value of future pension benefit payments, actuarial valuations are performed each year for the pension plans. The CalPERS actuary estimates the payments that will be made for all potential retirees from each plan in each future year. The actuary calculates the present value of future benefits the plan will be required to pay to its current participants: those still working who will retire in the future, retirees, and those who have terminated employment but have not yet begun drawing benefits.

The 2022 valuation reports provide the determination of the minimum required employer contributions for fiscal year (FY) 2024/25. In addition, the reports also contain important information regarding the current financial status of the plans as well as projections and risk measures to aid in planning for the future.
