

# Fiscal Year 2025 Maintenance Plan Presentation

The Public Works Department has exciting plans to share regarding what is in store for FY25!

The plan we have put in place for FY25 is designed to enhance the towns infrastructure, ensure safety, and improve the overall quality of life for our residents.

# Road Maintenance

The Public Works Department has exciting plans to share regarding what is in store for FY25!

- ❖ We plan to pave the remainder of South A Rd. and Collecting Canal Rd. along with the roads that were not completed in the FY23 paving plan.
- ❖ The objective is to improve the current conditions and the functionality of the towns roads.
- ❖ We urge residents to report any deficiencies found within the town via <https://loxahatcheegrovesfl.gov/RequestTracker.aspx>. Or by navigating to the “residents” tab and clicking on “submit a question or request” You can report things like; potholes, drainage/culvert issues, down/missing signage and road grading issues. The field staff will do their best to get all issues repaired in a timely manner and based on priority.
- ❖ Office staff has recently updated the grading schedule which will be presented to you on the following slides. The field staff intends to follow it as it is written to ensure the maintenance of the dirt roads remain well kept, however, the schedule is tentative in nature and due to weather or other unscheduled factors, the road sections and anticipated workload are subject to change without notice.
