

Rural Recreational Resort
Meeting Material

- A 3D video rendering of the project will be played to provide a better idea of how the park will look and feel
- There will be a discussion regarding how the project brings significant benefit to the Town residents
- There will be a discussion that addresses the RV ordinance and how it is entirely unrelated and unimpacted by the RV resort
- There will be time for direct Q/A between the owner and Town council
- The workshop will close with answering any questions from the audience
