Fiscal Year 2025 Maintenance Plan Presentation

The Public Works Department has exciting plans to share regarding what is in store for FY25!

The plan we have put in place for FY25 is designed to enhance the towns infrastructure, ensure safety, and improve the overall quality of life for our residents.

Road Maintenance

The Public Works Department has exciting plans to share regarding what is in store for FY25!

- We plan to pave the remainder of South A Rd. and Collecting Canal Rd. along with the roads that were not completed in the FY23 paving plan.
- The objective is to improve the current conditions and the functionality of the towns roads.
- We urge residents to report any deficiencies found within the town via <u>https://loxahatcheegrovesfl.gov/RequestTracker.aspx</u>. Or by navigating to the "residents" tab and clicking on "submit a question or request" You can report things like; potholes, drainage/culvert issues, down/missing signage and road grading issues. The field staff will do their best to get all issues repaired in a timely manner and based on priority.
- Office staff has recently updated the grading schedule which will be presented to you on the following slides. The field staff intends to follow it as it is written to ensure the maintenance of the dirt roads remain well kept, however, the schedule is tentative in nature and due to weather or other unscheduled factors, the road sections and anticipated workload are subject to change without notice.

Canal Maintenance

Public Works have heard your complaints and are taking the appropriate action! The staff is diligently working on enhancing the mowing schedule which will be posted to the towns website once completed. The staff intends to follow it as it is written to ensure the maintenance of our canals, its banks and ditches are well kept.

- Regular mowing of the canals, canal banks and drainage ditches will continue, but in a more orderly fashion to prevent the overgrowth and ensure proper water flow.
- The Canal Maintenance crew is managing the overgrowth along the roadways to maintain clear visibility in attempt to prevent any obstruction.
- The Canal Maintenance crew is continuing their efforts in clearing the invasive vegetation growing within our swales and canal banks throughout the town.

Canal Bank Restoration

The Canal Bank Restoration crew will continue to repair the failing canal banks throughout the town by reinforcing them as needed.

Canal bank restoration includes but is not limited to;

- The removal of trash and debris from within our canals
- Maintaining and enhancing our canal systems
- Utilizing fabric materials like mirafi paper to reinforce the soil and prevent erosion
- Repairing roads to their original state, or better
- Repairing the damage caused to the road edges and the removal of the excessive dirt building up.

The Public Works Department has contracted Odum's SOD to assist us in laying SOD on canal banks to expediate work progress.

Culvert Repairs and Replacements

The Road Maintenance and Canal Restoration crews have successfully assessed existing drainage culvert locations throughout the town and have prioritized the culverts that need immediate attention / remediation.

The field staff will continue to evaluate and identify additional culvert needs such as;

- Installing them at the correct elevations per the standards
- Extensions, repairs and replacements.

The locations requiring immediate attention are as follows:

- Bunny Ln.
- Folsom Rd. & 25th St. N.
- Kerry Ln.
- F Rd. and Collecting Canal Rd.
- W. B Rd

Catch Basins

The Public Works Department is in the process of obtaining quotes to install catch basins throughout the town for drainage purposes.

Street Signage and Roadway Markings

The field staff plans on continuing the efforts to replace road signs throughout our town. The main priority of the Public Works Department is the safety of our residents. Staff have recently completed a sign inventory and have ordered the required signage in preparation for FY25. The following is scheduled;

- Updating and replacing the speed limit signs and revamping the road striping along Okeechobee Blvd. between Folsom Rd. and A Rd. Doing so will enhance the visibility to drivers and ensure compliance.
- Field staff will remove and replace additional signage such as stop signs, speed limit signs, R/W signs and horse crossing signs, as the budget is permitted.

In good faith effort to keep up with the high demand, the Public Works Department is entertaining the idea of implementing a best interest contract to assist us in moving forward with the work described above.

Pump Station Site Improvements

The public Works Department is working on enhancing the canal pump stations.

The plans include repairing the floor, installing ventilation, updating the current telemetry systems, installing cameras and lighting as the budget allows.

Vehicle / Equipment Maintenance

The Public Works Department is proposing to implement a best interest contract with Al's Auto Repair of Loxahatchee. This contract is set to go before council on August 6, 2024.

Implementing this contract will ensure the department has the time and available funds to proceed with other scheduled projects that the budget permits.

Upcoming Special Projects

Staff has tentative plans to completely restore Hyde Park Rd. drainage swales.

The staff also plans to develop and implement conservation plans to maintain the road and its surrounding environment.

A well-implemented conservation plan supports environmental health, promotes sustainable development, and enhances quality of life for people and wildlife alike.

The Public Works Department is also working on replacing the PBCFR Emergency Vehicle Warning Signs. Doing so will ensure the safety of all parties involved.

Equestrian Trails

The Public Works Department is looking into improving the towns Equestrian Trails and expanding them per the residents' requests.

The office staff looks forward to hearing any additional requests you may have. If you should have any implementation, please submit your requests utilizing the link below.

Annual Work Plan

This presentation covers majority of the departments annual work plan. Additional tasks that are in the works are as follows:

- Livestock Waste Management
- Solid Waste Management
- Facilities Maintenance and Landscape
- Water control structure repairs
- Routine culvert inspections and cleanings
- ✤ Routine canal cleanings

Current Fiscal Year Work

Within FY24, the department has made great progress with the maintenance of the town! The staff has completed the following tasks:

- Tree removal in preparation of the FY24 road paving project
- ✤ Rebuilt and widen roads in preparation for the FY24 road paving project
- Cutbacks on exotic vegetation
- Hedging and mulching
- Reinforcement of canal banks
- ✤ Asphalt repairs
- Roadway and slope mowing on canal banks
- ✤ Canal gate maintenance

Office Staff

The office staff has worked diligently internally on the following:

- Ensuring the record keeping is up to date regarding the work that the field staff has completed such as vehicle maintenance, town maintenance, etc.
- Stablished strong relationships with the residents and contractors of the town to ensure effective communication
- Negotiated contracts with vendors
- Auctioning of surplus equipment through Royal Auction Group
- Future equipment purchases based off state and local government contracts
- Uncovering and organizing the records of the history of the Loxahatchee Groves Water Control District
