**From:** Jim Fleischmann

**Re:** Summary of Active Tree Removal Permits

**Date:** July 23, 2024

**M E M O – Address or Project Name**

---

1. 13710 Okeechobee (Brightworks) – Working on a common solution for trees removed both on the property and the Okeechobee R-O-W.
2. 15211 Okeechobee (Discovery Quest) – Completed VRP. Awaiting request for refund of cash mitigation deposit. Planted landscaping site visit completed. Conclusion – planting equals landscape plan. Staff recommends release of cash deposit. Discussed release conditions with Town Attorney and Project Manager.
3. Groves Town Center Phase III VRP – Application received. Review has not started as of this date.
4. Piquet VRP – Continue to work with applicant regarding mitigation plan. Close to a final submittal for staff review.
5. Applications returned to Applicant for additional information:
  1. 2812 F Road
  2. 970 D Road
  3. 14782 Gruber Lane
  4. 15532 43<sup>rd</sup> Ct. North - Exemption acknowledged; Waiver needs more data
  5. 1300 D Road (Conservation Easement) – Application in limbo. Need direction
  6. 1742 A Road – Completing arborist survey
  7. 16171 Williams – Visited property once. Needs drainage plans revision. Town Engineer accompanied first visit and is aware of the needed revisions
  8. 248 C Road – Discussed with Town Attorney. Checking with Code to determine status of any code issues.
