<b>Summary Statement:</b>	<p>Staff solicited bids for the Wastewater Treatment Plant (WWTP) Outfall Replacement Project; which will replace the existing damaged outfall from the WWTP to the Nooksack River. The City received one bid on April 30, 2019 from Strider Construction Company. BHC Consultants prepared the attached Bid Tabulation.</p> <p>After review BHC determined Strider's bid to be responsive, responsible and below the engineer's estimate; therefore, they have recommended acceptance of Strider's bid.</p> <p>At their April 3<sup>rd</sup> meeting, the Public Works Committee agreed that the bid results could be forwarded directly to City Council after informing them of the results.</p> <p>This project is being funded by a 20-year 1.5% interest loan from the Department of Ecology.</p>	
<b>Recommended Action:</b>	That City Council award the contract for the Wastewater Treatment Plant Outfall Replacement Project to Strider Construction Co. Inc. in the amount of \$1,013,844.90, including tax and authorize the Mayor to sign the contract.
