| <b>Summary Statement:</b>   |  |  |
| <p>By law, a public hearing must be held for City Council to consider comments regarding the City's Six Year Transportation Improvement Program (2021 to 2026). Attached are Lynden's proposed transportation improvement projects that will be submitted to the Whatcom Council of Governments and from there to the Washington State Department of Transportation (WSDOT) as part of their statewide program.</p> <p>To be eligible for funding for these projects, every city and county must prepare a planned local list of projects which ultimately is forwarded to the WSDOT by July 31, 2020 for inclusion in the State's Transportation Improvement Program (STIP) list.</p> <p>The Public Works Committee reviewed the STIP projects at their May 6, 2020 meeting and recommended that City Council set a public hearing date of June 1, 2020 at 7:00 p.m. at the Lynden City Hall Annex, to hear comments on the City's Six-Year Transportation Improvement Program.</p> <p>After the hearing is closed, the Council may pass the resolution approving the program.</p> |  |  |
