Contract		
Summary Statement:		
<p>RH2 Engineering, Inc. has provided on-call engineering and technical professional services since March 2021 to support the City's review and operation of its water utility, including proposed developer extensions to the City's water system, hydraulic analyses, and water modeling. Staff recommends extending the contract through 2025.</p> <p>The Public Works Committee reviewed this contract at their meeting on December 4 and recommend renewing the contract with RH2 Engineering, Inc. The funding for this contract is provided in part from third party review fees charged to the applicant. The remainder is budgeted in the 2025 Water Budget (Fund 401).</p>		
Recommended Action:		
That City Council approve the agreement with RH2 Engineering, Inc. for On-Call Services for 2025 and authorize the Mayor to sign the contract.
