

Business Name	Total Score	Requested Amount	Amount Awarded	Business Adaptation	Economic Injury Details	Name
Lynden Skateway Inc.	36	\$15,000	\$15,000	While we have been closed, we have sold roller skates, roller skating equipment, gift certificates, e-gift cards, and given away excess skating parts. Also, as we prepare to open: we have spaced out our seating area 6 feet apart, blocked off our water fountain.	Closed March 16th to Present (July 2020).	Brenda VanOrnum
Cheeks Jeans LLC	36	\$15,000	\$15,000	we have had to limit people trying on clothing because of having to pull clothing off the floor for 48 hours after they are tried on.	When WA state closed down our sales virtually were shut down also. We spent a month paying our employees as we were setting up an online store. We only had online sales for almost 2 months which was way below normal sales and even now with being open our sales are down over 50% as our P&L shows	Laura Bouma
Heartfelt Massage	36	\$12,000	\$12,000	I adhere to all Health Dept guidelines for PPE & safety measures. I only allow one person in my office at a time & I have reduced the size of my waiting area. Clients must have an appointment & they have to call or text before entering my office. No one is allowed in my office without authorization & some brief health questions. I have had to reduce my days & hours due to a reduction in clientele due to COVID-19.	March 17-July 20, 2020 my business was closed. Since returning to work, my clientele has been reduced by approximately 50% over last year at this time. I bill insurance companies for services & I don't generally get paid for those services for 45-90 days. Being out of work for 4 months & seeing reduced clientele now will affect me financially for the next 6-9 months if not longer. I have had to borrow money from friends/family to pay the rent and utilities.	Corrine DeJong
Lynden Pioneers, Inc.	36	\$15,000	\$15,000	Our business has experienced an earth shattering blow due to COVID-19. In the past we have relied heavily on business from tourists, local events, and dine in sales. We have adapted our business by offering our pies, soups, etc. in frozen take and bake format as well as many other products packaged for individual sale. We are attempting to move to online sales with our Dutch Heritage baked goods which can ship. also attempting to offer many of our	We were forced to temporarily close the Bakery on March 21 due to COVID-19 concerns and a lack of customers which caused a negative operating budget. Bakers were called back in April to begin producing adaptations to our products, reopened June 6th to customers, but business has been very slow and without tourists, 2020 revenues have fallen over 74% compared to 2019 (March-June period). We were able to reopen due to receipt of a PPP loan and subsequent EIDL loan however the funds are spent.	Chad Simmons
Ross Healthcare Inc	34	\$15,000	\$15,000	Temporarily reduced production to work within available supply chain; developed ethyl alcohol hand sanitizer product line, to be made locally for the US market.	Loss of sales from dental dealers, reduced availability of bottles, pumps and caps. Slow down from March 1 to present. Orders coming back but still very slow. At least \$100,000 in sales and cashflow.	N Michael Ross

Creative Design	34	\$7,000	\$7,000	We have taken COVID seriously and to the highest level of sanitation and safety for our clients and customers ! I hired a contractor to install plexy glasses between all 4 stations and one in between my nail station! We ordered new capes so our personal aprons and clients are changed with every client! We all wear face masks and provide for client if they do not have one! I have installed touch less soap	I closed my salon March 16 in accordance With COVID 19 Ruling and had no business until June 5. This has a huge impact as I could not service any clients! As a salon owner I installed all plexy glass and sanitation stations has cost me . I rent stations and have 3 girls quit as they are so discouraged with the lack of income. The girls can't afford rent and are emotionally struggling. I take this to heart as we are family and I hurt when they do. With no retail I don't have that income!	Raelene VanDalen
Gregory J Helgath Inc P	32	\$15,000	\$10,000	We have adapted to the current situation by increasing our sanitation , patient distancing, PPE and patient education . Unfortunately telemedicine doesn't work well in PT .Medical staff also is doing landscape maintenance , housekeeping and	Starting March 20th, 2020 we had to close our business for approximately 6 weeks. We reopened to patients on May 4th, 2020 but only to a limited patient volume. We have been unable to increase that volume due to social distancing and safety guidelines. Unfortunately rent , employee health insurance , utilities , taxes etcetera continued to accumulate . A large percentage of our patient population are athletes whose activities have been severely curtailed ..	Gregory Helgath
The Nuthouse Grill LLC	32	\$15,000	\$10,000	Implementing personal protective equipment and safety measures.	Due to shutdowns from march 13th till June 1st and the later phase 2 restrictions The Nuthouse Grill has suffered a lot of lost revenue.	Lynn Ferrier
		\$109,000	\$99,000
