Certified Bid Tabulation, Reichhardt & Ebe Recommendation to Award		
Summary Statement:		
<p>Staff recently solicited bids from eligible contractors on the City's Small Works Roster for the Benson Road Pedestrian Improvements Project. This project constructs sidewalk along the east side of Benson Road north of Isom Elementary School to West Park Street. The base bid constructs sidewalk where there is none today. An alternate bid item was included for the replacement of deteriorated existing sidewalk north of Isom School. Three bids were received on July 16, 2020. Reichhardt and Ebe Engineering prepared the attached Bid Tabulation.</p> <p>After review, Reichhardt and Ebe determined Granite Construction to be the lowest responsive and responsible bidder and recommends award.</p> <p>At the Public Works Committee meeting on July 8, 2020, the Public Works Committee concurred that the bid results could be forwarded directly to City Council after informing them of the results.</p> <p>Additionally, the Committee concurred to establish a budget control limit of \$280,000 to this project to use to determine the low bid with the alternative bid item. Contractors were notified of this prior to bid opening. Granite Construction's base bid plus Alternate A1 are within this control limit.</p>		
Recommended Action:		
That City Council award the contract for the Benson Road Pedestrian Improvements Project to Granite Construction in the amount of \$236,340.00 for the base bid plus Alternate A1 and authorize the Mayor to sign the contract.
