Ordinance No. 23-1667		
<b>Summary Statement:</b>		
<p>At the March 8<sup>th</sup> Public Works Committee meeting, staff received a request to allow on-street parking on Evergreen Street and Agronomy Way. Charlie's Auto Body has a backlog of vehicles awaiting repair, and these vehicles are taking up space on their lot. This parking revision will allow employees to park on the street and keep the customer's vehicles behind the fence and on the property of the repair shop.</p> <p>At the meeting, the Public Works Committee reviewed this request and concurred to recommend that staff amend Section 10.08.100 of the Lynden Municipal Code to allow on-street parking on Evergreen Street and to submit the proposed amendment to City Council for approval.</p>		
<b>Recommended Action:</b>		
That City Council approve Ordinance No. 23-1667 Amending Lynden Municipal Code Chapter 10.08.100 Parking and Loading and authorize the Mayor's signature.
