BHC Amendment 6 BHC Scope of Work BHC Fee Schedule		
<b>Summary Statement:</b>		
<p>Since 2021, the City has contracted with BHC for professional engineering services related to expansion of the City's wastewater treatment plant. This amendment is to develop construction plans and specifications for demolition activities during the summer of 2025 at the wastewater treatment plant. This project is directly related to the Stage 2 – MLE Retrofit project and serves to prepare the site for that work.</p> <p>Demolition activities will include removal of the biotower and decommissioning the underground tank to prepare room for the expansion project that will occur in 2026.</p> <p>This amendment will be funded by sewer capital Fund 442.</p> <p>The Public Works Committee reviewed this contract amendment at their meeting on October 9 and recommended forwarding it to City Council for approval.</p>		
<b>Recommended Action:</b>		
That City Council approve Amendment 6 with BHC and authorize the Mayor's signature on the agreement.
