Interlocal Agreement with City of Bellingham		
Name of Agenda Item:		
Interlocal Agreement with City of Bellingham for Vector Waste Facility Use		
Summary Statement:		
<p>Staff would like to renew this Interlocal Agreement with the City of Bellingham (COB) for vector waste disposal. The COB accepts street sweepings and vector waste materials and disposes of them in compliance with Department of Ecology (DOE) and Department of Health rules and regulations. Public Works used this disposal as an alternative to disposal at RDS which is currently less expensive.</p> <p>This would be a fourth term renewal through December 31, 2020 at the same price of \$147.56 per ton. All other terms remain the same.</p> <p>The Public Works Committee reviewed this agreement at their March 4th meeting and concurred to recommend approval to City Council. The also concurred with the next annual renewal being signed by the Mayor provided there is no change in price or other significant terms of the agreement</p>		
Recommended Action:		
Approve the 2020 renewal to Interlocal Agreement with the City of Bellingham for Vector Waste Facility Use and Authorize the Mayor's signature. Also authorize the Mayor to renew the 2021 renewal if there are no changes to the price or other major terms of the agreement.
