Cost – FREE!

We offer flexible and affordable pricing options allowing utilities to enjoy our feature-rich platform and a tailored dashboard at no cost to the utility.

Testers pay a fee upon submission. We have one of the lowest per-test rates of any software, ensuring a cost-effective solution.

Key Benefits

- Friendly customer support
- Free Data Transfer
- User-friendly interface
- You own your data
- All-Inclusive Pricing

How It Works

For Utilities
We work with you to create a custom dashboard that empowers you to monitor and manage compliance.

For Testers
Testers register for free to easily submit results online from anywhere.

For Customers
Customers create a free account to track their compliance status and receive email notifications.

Our Role
We handle maintenance, updates, and support for you, your residents, and testers.
