Summary Statement:	<p>By law, a public hearing must be held for the City Council to consider comments regarding the City's Six Year Transportation Improvement Program (2024 to 2029). Attached are Lynden's proposed transportation improvement projects that will, after approval by City Council, be submitted to the Whatcom Council of Governments and from there to the Washington State Department of Transportation (WSDOT) as part of their statewide program.</p> <p>To be eligible for funding for these projects, every city and county must prepare a planned local list of projects which ultimately is forwarded to the WSDOT by July 31 of each year for inclusion in the State's Transportation Improvement Program (STIP) list.</p> <p>The Public Works Committee reviewed the STIP projects at their April 5, 2023, meeting and recommended that City Council set a public hearing date for 7:00 p.m. on June 5, 2023, their regular meeting, at the Lynden City Hall Annex, to hear comments on the City's Six-Year Transportation Improvement Program.</p> <p>After the hearing is closed, the Council may pass Resolution No. 23-1064 approving the program.</p>	
Recommended Action:	That City Council approve Resolution No. 23-1064 adopting the 2024-2029 Six-Year Transportation Improvement Program for the City of Lynden and authorize the Mayor's signature on the resolution.
