Resolution 1034		
Summary Statement:		
<p>In an effort to remain current on prices charged for usage at our parks and to remain competitive with other parks departments in the county a couple of changes and increases were requested to be made to our fee structure.</p> <p>Field fees were increased due to the increase in cost of painting lines on fields, and the demand for additional fields needed for soccer.</p> <p>Facility fees were raised approximately 10% to keep in line with other municipalities</p> <p>Parks Committee has reviewed the changes and additions to the fee schedule and recommends bringing the additions to Council for approval</p>		
Recommended Action:		
Motion that Resolution 1034 Amending resolution 983, setting Park Fees be approved and that the mayor be authorized to sign said Resolution.
