Attachments:	Sub-recipient agreement	
Summary Statement:	This is a continuation of the annual Stonegarden agreement to support border security. This agreement is a pass through from Homeland Security, through the county and then a sub agreement with the City. The fund has dropped significantly over the recent years and is not down to \$12,000 for limited officer overtime.	
Recommended Action:	Make a motion to approve the sub-recipient agreement with Whatcom County and authorize the Mayor to sign the document.
