May 2025 Report

Monthly Call Volume Year over Year
Jan 01, 2024 12:00 AM to May 31, 2025 11:59 PM

Month Name	2025		2024		YTD % Change
	Grand Total - Current	% of Total Incidents - Current	Grand Total - Previous	% of Total Incidents - Previous	
January	212	20.00%	234	23.00%	-9.40%
February	235	22.00%	160	16.00%	46.88%
March	201	19.00%	216	22.00%	-6.94%
April	204	19.00%	200	20.00%	2.00%
May	212	20.00%	188	19.00%	12.77%
Grand Total	1,064	100.00%	998	100.00%	6.61%

Trends continue to show an upward climb, closing out May with 212 calls. This seems to now be the monthly normal. 86% of our call volume is dedicated to providing Emergency Medical Services, which are also the most time consuming calls outside of a working structure fire. We are also facing instances of multiple calls in progress, leaving the city without available LFD responders for significant stretches of time as call volume continues to increase.

Fire Marshal Corner:

5/7-Hydrant Inspection/Testing meeting
5/8-Fire Final City Gate
