

## **NOTICE OF PUBLIC HEARING**

The City of Lynden will be conducting a public hearing to consider discontinuing the addition of fluoride in the municipal water system.

This notice is being provided to city water system customers and the Washington State Department of Health, as required by law. The public hearing will be conducted during the Lynden City Council meeting on May 6, 2024; should additional time be required to receive testimony, the Public Hearing may be continued to an additional date at that meeting.

Location:

Lynden City Hall Annex

205 4<sup>th</sup> Street

Lynden, WA 98264
