<u>Summary Statement:</u>	
<p>At the August 8 meeting staff will be collecting surveys from those Planning Commissioners who are ready to turn them in but haven't yet. The survey was discussed at the July 25th workshop as a kick-off to the update of the City's Comprehensive Plan.</p> <p>As you may recall, the Comprehensive Plan is updated every 8-10 years and is intended to serve as a long-range planning document. The Plan attempts to articulate the character, vision, and goals of the community. It outlines goals for the future and responds to State legislation regarding growth management.</p> <p>A link to the City's current comprehensive plan was emailed to you the Commission on July 5 and can be referred to as you finish your survey.</p>
